1.03 The Purpose of this Agreement is to:

(b) Establish a procedure for final settlement of differences concerning the interpretation, administration, application, or alleged violation of any of the provisions of this agreement.

1.04 The plural and feminine in this Agreement includes the singular and masculine throughout, and vice versa.

2.01 This Agreement will become effective on January 1, 2022 and will remain in effect until December 31st, 2025.

ARTICLE 3 – MANAGEMENT RIGHTS

Error! Bookmark not defined.

3.01 The Council recognizes and agrees that the Company has all the rights, power and authority to operate and manage its business and direct the workforce except as limited by the express provisions of this Agreement and/ or any documents referred to in this Agreement.

3.02 The Company agrees that it will exercise its rights, power and authority in a fair and reasonable manner consistent with the general

purpose and intent of this Agreement.

ARTICLE 4 – RECOGNITION & SCOPEError! Bookmark not defined.

4.01 The Company recognizes the Council as the sole bargaining agent for all employees of the Company in the bargaining unit as set out by the Canada Industrial Relations Board (“CIRB”) in Order No 10543-U dated March 21st, 2014 and as amended by the CIRB from time to time.

4.02 The provisions of this Agreement will be binding upon any successor or merged company or companies or any successor in control of the Company. In the event that there is a merger with another company whose employees are represented by another union, the representation rights and the status quo of the Council will be maintained until a final determination is made under the Canada Labour Code as to the proper representation of the combined group.

4.03 The Company will not dominate or in any way interfere with the administration of the Council or its Member Locals.

4.04 (a) Where it is mutually agreed that new positions, jobs or occupations established during the term of this Agreement can be reasonably considered to fall within the scope of the bargaining unit, Appendix A will be amended to include such positions, jobs or occupations. Where the parties do not mutually agree that new positions, jobs or occupations established during the term of this Agreement can be reasonably considered to fall within the scope of the bargaining unit, the matter will not become the subject of a grievance but will be referred to the CIRB for resolution.

(b) Where new positions, jobs or occupations are included in the bargaining unit, the parties will meet to negotiate and/or determine a Classification and wage rate.

(c) When the parties are unable to agree in b) above, the matter will be referred directly to arbitration in accordance with the provisions of Article 16.

4.05 The Company and Council agree that there will be no written or verbal Agreements between an employee and the Company which conflict with the terms of this Collective Agreement except where mutually agreed between the employee, the Company and the Council

Executive Board. All such agreements will be in writing and signed by the parties involved. To do otherwise is a violation of this Collective Agreement.

4.06 There will be no assignment of work falling within the scope of the bargaining unit to employees of the Company outside of the bargaining unit if the assignment of work results in a layoff, or a permanent transfer under Articles 33.02 and 33.03, of one or more Regular Employees.

4.07 The Company commits not to contract out bargaining unit work in a manner that would jeopardize the continued employment of Regular Employees in the bargaining unit. The Company and the Council agree that this commitment is intended to prevent contracting out only when an immediate involuntary layoff of one or more Regular Employees would result, or when such a layoff is a reasonably foreseeable consequence of the contracting out.

The Company agrees that it will not contract out bargaining unit work when:

(a) contracting out of the work would result in a layoff or temporary layoff (TLO) of Regular Employees who have the actual experience to do the work; or

(b) Regular Employees who have the actual experience to do the work are on layoff and accept a recall, and the necessary tools and equipment are available.

(c) Regular Employees who have the actual experience to do the work are on temporary layoff (TLO) and the necessary tools and equipment are available.

The Company will not divest itself of tools and equipment after layoffs to facilitate the contracting out of work.

The Company also agrees to provide information to the Council about outsourcing or major contracts of work normally performed by members of the bargaining unit, through discussion at Atlantic Consultative meetings.

4.08 Management personnel will not perform work regularly done by employees in the Bargaining Unit except under the following circumstances:

(a) In cases of emergency: affecting the safety of employees; resulting in damage to equipment; adversely affecting operations; and then only for such time as it is necessary to overcome the emergency.

(b) The Company will also generate and post a new updated Net Credited Service list every six (6) months for Temporary Employees which will include the employee's name, Net Credited Service,

Classification, Reporting Centre and category (Full Time, Part Time) and the effective date of the posted list.

(c) Copies of the above lists will be provided to the Council and its Member Locals and will also be posted electronically for access by employees.

11.05 An employee who has established seniority will lose all seniority if they:

(a) Voluntarily resign/retire.

(b) Are discharged and such discharge is not reversed through the grievance and arbitration procedure.

(c) Fail to return to work without satisfactory reason following leave of absence or recall from layoff.

(d) Are laid off for more than twenty-four (24) months.

(e) Serve in a non-bargaining unit capacity for a cumulative total in excess of twelve (12) months in any eighteen (18) month period.

11.06 (a) From time to time, temporary assignments in a non-bargaining unit capacity are required for business needs. Such assignments are not intended to be a long term solution nor to be a substitute for a permanent management position. As part of such assignments employees will not be expected to deliver training to contractors. Employees will not be temporarily assigned to serve in a non-bargaining unit capacity for more than six (6) months in a twelve (12) month period. Assignments to backfill for non-bargaining unit employees who are on SDB or Child Care Leave can extend for a maximum of twelve (12) months in an eighteen (18) month period. Extensions to either of these timeframes will require the agreement of the Council. Temporary assignments in a non-bargaining unit capacity will be for a minimum duration of one (1) scheduled tour.

(b) Employees temporarily assigned to serve in a non-bargaining unit capacity will continue to be considered as bargaining unit employees for the period of the assignment, will continue to exercise all rights under this Collective Agreement, will pay union dues and will continue to be credited with seniority for actual time worked.

11.07 (a) For employees hired on or after September 20th, 2004 and

who have the same seniority, the eldest will be deemed to be the most senior.

(b) If an employee's seniority is adjusted and the employee now has the same seniority as one or more other employees, the employee whose seniority is adjusted will be deemed to be the most junior employee in this group of persons who have the same seniority.

(c) If two (2) or more employees' seniority is adjusted at the same time and these employees now have the same seniority as one or more other employees, the employees whose seniority is being adjusted, will be deemed to be the most junior employees in this group and will be placed on the list in order of age with the eldest employee being the most senior.

11.08 (a) Seniority and Net Credited Service will continue to accrue during periods when employees are on long term disability (LTD), short term disability (SDB), Workers Compensation, vacation, child care and other approved leaves of absence other than Personal Leaves greater than thirty (30) days.

(b) Seniority and Net Credited Service will not continue to accrue for bargaining unit employees during periods of strike or lockout.

(c) During the periods of absence, referenced in 11.08 a), for Part Time Employees, seniority will continue to accrue, but will be prorated, based on their hours worked as a proportion of full time hours during the twelve (12) month period immediately prior to the absence.

11.09 All current employees who had previous service with NewTel, MTT, Island Tel, NBTel and/or the same Mobility companies prior to this Agreement or prior to the date of the Bell Aliant merger, will have that prior Net Credited Service bridged with the Company, effective September 20th, 2004.

11.10 (a) When an employee is re-engaged as a Regular Employee following a break in service, the employee's Net Credited Service will be bridged after the employee has been on the payroll for at least one (1) year and the combined total of service equals five (5) years or more. However, their pensionable service will not be bridged if they have previously received a pension payout.

(b) Subject to Article 11.05 and 11.06, Regular or Temporary Employees who are working in the bargaining unit on September 20th,

2004 and, by virtue of their previous Agreement, would otherwise be entitled to bridging of service and seniority, will not be disentitled to bridging of their seniority. However, seniority will not be bridged under any other circumstance.

(c) Temporary Employees who become Regular Employees will have their Net Credited Service bridged in the same manner as employees who are re-engaged, under 11.10 a).

ARTICLE 12 - WORKPLACE CHANGE & EMPLOYMENT SECURITY

12.01 Before the Company implements any Workplace Change and/or Workforce Reduction which is likely to affect the regular earnings, province, Classification, category (Full Time or Part Time), or security of employment of any number of Regular Employees, it will provide notice to the Council in the form and manner set out below in Articles 12.02 and 12.03.

Workplace Change is defined as a change in the manner in which the Company carries out the business, resulting from either:

(a) The introduction, by the Company into its business, of equipment or material of a different nature or kind than that previously utilized by the Company in the operation of its business, and/or

(b) The consolidation and reorganization of work.

Workforce Reduction is defined as the termination of employment (layoff) of a Regular Employee caused by the need to reduce the regular work force.

Notice

12.02 (a) Notice of Workplace Change under Article 12.01 above must be given at least one hundred and twenty (120) days before the implementation of the Workplace Change identified in the notice.

(b) Notice of Workforce Reduction under Article 12.01 above must be given at least sixty (60) days before the implementation of the Workforce Reduction identified in the notice.

12.03 The notice given to the Council will be in writing and will include:

- (a) A detailed description of the nature of the proposed Workplace Change and/or Workforce Reduction;
- (b) The proposed implementation date;
- (c) The approximate number and job classification of affected employees as well as the names of the employees who are likely to be initially affected by the proposed Workplace Change and/or Workforce Reduction;
- (d) The effect that the Workplace Change and/or Workforce Reduction is likely to have on the earnings, Classification, category (Full Time or Part Time), or security of employment of the affected employees; and
- (e) The rationale for the Workplace Change and/or Workforce Reduction.

Temporary Layoff with Employment Insurance Supplementary Benefits

12.04 To reduce hours and associated costs and to avoid a Workforce Reduction which would invoke the other provisions of this Article, the Company, may at its discretion, initiate a Temporary Layoff (TLO) of Regular Employees under the following conditions:

- (a) At least six (6) weeks advance notice must be provided to the Council with a specified date of return to work. Employees may be recalled before the specified date of return but not less than four (4) consecutive weeks after the layoff.
- (b) No Regular Employee will be designated for TLO while there are Temporary Employees working in the same Classification and Reporting Area/Queue. No Regular Employee will be designated for TLO while there are contractors working in the same Reporting Area/Queue and Classification, provided that any necessary special tools and equipment to do the job are available.
- (c) Employees designated for TLO will be given a minimum of fifteen (15) days notice in writing.
- (d) Employees designated for TLO will not have bumping rights under this Article.
- (e) Seniority and service of employees on TLO will continue to

accrue.

(f) Selection of employees for TLO will be on the basis of seniority within the Reporting Area/Queue and Classification affected with the most junior employees selected.

(g) Employees on TLO will have the right to apply for job postings.

(h) Employees on TLO will receive a top up payment from the Company equivalent to the difference between EI benefits received and seventy-five percent (75%) of gross pay for each week of TLO. These employees will receive seventy-five percent (75%) of gross pay during the EI waiting period. Payments will be on a bi-weekly basis. This top up is contingent on the continued availability of the Supplemental Unemployment Benefit Plan.

(i) The period of TLO must not be less than twenty-eight (28) or longer than one hundred and twenty (120) consecutive days.

(j) For purposes of pension benefit entitlement, periods for which an employee has been on TLO will be treated, for all intents and purposes, as if the employee had remained at work and was earning their normal basic wages.

(k) Employees returning from TLO will not leave the workforce due to another layoff until they have been back at work for a period of time equal to the period of the TLO.

(l) All employees on TLO must be returned to work before a permanent layoff can occur and any such permanent layoff will be subject to the full terms of this Agreement.

Workplace Change Committee

12.05 The Company and the Council will establish a Workplace Change Committee (the Committee), to be comprised of up to six (6) representatives of the Council and up to six (6) representatives of the Company. Each party will appoint its own representatives. Within fourteen (14) days of September 20th, 2004 the Company and the Council will advise each other of their initial representatives on the Committee. Both parties agree to provide as much advance notice as possible of changes to their representatives on the Committee. The Committee will meet as often as necessary to discharge its mandate. Either the Council or the Company representatives on the Committee can

call a meeting of the Committee. The mandate of the Committee will be to review the changes identified in the notice under clauses 12.02 and 12.03 above and serve as a forum for discussion of the following:

(a) Identification of affected employees;

(b) Reasonable options to minimize the adverse impact of the Workplace Change and/or Workforce Reduction on employees in the bargaining unit. Such options may include, but are not limited to: permanent assignment to another Classification, job sharing, reduction of hours, retraining, voluntary transfers, voluntary separation offers, early retirement incentive packages, leaves of absence, education leaves, and temporary lay off.

The parties agree to approach the discussion in good faith with the goal of mitigating negative impacts on employees. However, neither the Company nor the Council is obligated to implement any of the options identified in Article 12.05 b) that are not explicitly contemplated by this Collective Agreement.

12.06 The Company and Council may, by mutual agreement in writing, offer an affected employee a vacant position that has not yet been posted.

Workplace Change Implementation

12.07 No Workplace Change which is likely to affect the earnings, province, Classification, category (Full Time or Part Time), or security of employment of Regular Employees will be implemented prior to the expiration of the one hundred and twenty (120) day notice period, unless by unanimous written agreement of the members of the Workplace Change Committee.

12.08 Upon expiry of the one hundred and twenty (120) day notice period, or such shorter period as agreed to under Article 12.07, the Company will have the right to implement the Workplace Change identified in the respective notice. However, both parties are committed to continue working to resolve any outstanding issues related to the transition of affected employees.

Workforce Reduction

12.09 Should a workforce reduction be required the following will apply:

(a) No Regular Employee will be identified as surplus until the requirements under Articles 12.01, 12.02, 12.03, 12.05 and 12.07 are

met.

(b) Temporary Employees and contractors within the Classification and province will be terminated prior to a layoff of Regular Employees in that Classification and province.

(c) Surplus employees will be identified within the affected Classification as follows:

- (i) The most junior Regular Employee in a Classification within a Reporting Centre will be the surplus employee, or
- (ii) Where the affected employees are working in a queue, the most junior Regular Employee in the Classification within the queue will be the surplus employee.

12.10 Before surplus employees begin to exercise bumping rights under this article, the Company will consider applications for voluntary termination from employees in the same Classification and Reporting Centre. All applications for voluntary termination are subject to Company approval based upon business and operational requirements. The one (1) time incentive payable to employees with approved applications will not be less than three (3) weeks pay at the employee's Basic Wage Rate for each year of service, to a maximum of seventy-eight (78) weeks pay.

Bumping Rights

12.11 (a) Surplus employees will be given notice in writing at least thirty (30) days in advance of the layoff date. Surplus employees must notify the Company, in writing, of their bumping option within twenty-four (24) hours of receipt of their list of bumping options. A copy of each surplus employee's list of bumping options and their selection will be forwarded by the Company to the Council promptly.

(b) A surplus employee must accept one of the following available options. In all cases a senior employee may choose to bump the most junior Full Time Employee or the most junior Part Time Employee.

- (i) Replace the most junior Regular Employee in the surplus employee's current Classification within the Reporting Centre; or
- (ii) Replace the most junior Regular Employee in another

Classification in which the surplus employee has had actual experience, within the Reporting Centre; or

- (iii) Replace the most junior Regular Employee, within the Reporting Centre, who is in a Classification for which the bumping employee has the ability and Standard Entry Level Qualifications to do the job; or
- (iv) Replace the most junior Regular Employee in the surplus employee's current Classification within the Reporting Area; or
- (v) Replace the most junior Regular Employee in another Classification in which the surplus employee has had actual experience, within the Reporting Area; or
- (vi) Replace the most junior Regular Employee, within the Reporting Area, who is in a Classification for which the bumping employee has the ability and Standard Entry Level Qualifications to do the job; or
- (vii) Replace the most junior Regular Employee in the surplus employee's current Classification within the province; or
- (viii) Replace the most junior Regular Employee in another Classification in which the surplus employee has had actual experience, within the province; or
- (ix) Replace the most junior Regular Employee, within the province, who is in a Classification for which the bumping employee has the ability and Standard Entry Level Qualifications to do the job; or
- (x) Replace the most junior Regular Employee in the surplus employee's current Classification within the Company; or
- (xi) Replace the most junior Regular Employee in another Classification in which the surplus employee has had actual experience, within the Company; or
- (xii) Replace the most junior Regular Employee, within the Company, who is in a Classification for which the

bumping employee has the ability and Standard Entry Level Qualifications to do the job; or

(xiii) Accept layoff.

“Actual experience”, for the purpose of this Article, means experience gained in a job classification through either a successful job posting or a temporary reassignment of more than three (3) consecutive weeks. Work performed under Classification Flexibility (Article 29) will also be considered. Employees moving to a different Classification will be given an eight (8) week familiarization period in this role. If an employee who moves to a different Classification is not, in the Company’s view, performing the job satisfactorily following the familiarization period, the Company has the right to place the employee in another Classification, subject to the employee’s right to grieve.

(c) Any employee bumped out of their position will be considered surplus and will also have all rights provided under this article.

Relocation Expenses

12.12 (a) An employee whose bumping option(s) all require relocation to a new Reporting Centre in excess of sixty (60) kilometers from their current Reporting Centre, will be eligible for relocation expense reimbursement, if the change will result in an increase in the travel distance between the employee’s new Reporting Centre and their current place of residence. Such employees will be entitled to reimbursement for moving expenses per Article 34.

(b) An employee who has a bumping option that does not require relocation to a new Reporting Centre in excess of sixty (60) kilometers from their current Reporting Centre, is not restricted from choosing any of their available bumping options. However, employees who exercise this right will be entitled to reimbursement for moving expenses per Article 34 to a maximum of five thousand dollars (\$5,000).

(c) An employee who relocates as a result of Workplace Change without exercising bumping rights under Article 12.11 will be entitled to the same relocation expenses as in Article 12.12 a).

Wage Protection

12.13 Affected employees, who move to a lower paid position as a result of Workforce Reduction or Workplace Change covered by this Article, will maintain their current Basic Wage Rate from the date of assignment to

the lower paid position until the rate for the new position exceeds their former rate. Affected employees, who move to a higher paid position as a result of Workforce Reduction or Workplace Change covered by this Article, will move immediately to the step on the new wage scale which has the same rate as their present Basic Wage Rate or, if there is no identical rate on the scale, to the closest higher rate to their present Basic Wage Rate. Wage progression for employees who move to a higher paid position will not be interrupted.

Continuation of Group Insurance, Dental and Medical Benefits during Layoffs

12.14 During periods of Temporary Layoff (TLO), under Article 12.04, affected employees will continue to participate in the Group Insurance, Dental and Medical, and Pension Plans by paying their normal premiums. During all other periods of layoff with recall rights, employees will have the option to continue their participation in these plans provided they pay both employer and employee premiums. For purposes of pension benefits entitlement, all periods of layoff during which an employee continues their participation in the Pension Plan will be treated, for all intents and purposes, as if the employee had remained at work and was earning their full basic wages.

Right to Return

12.15 (a) An employee who takes another position in accordance with Article 12.11 or 12.16 of this Agreement will be entitled to:

- (i) return to their former Classification when an opening becomes available; and
- (ii) return to their former Reporting Area where an opening becomes available in the Classification held prior to exercising an option in accordance with Article 12.11 of this Agreement.

(b) In options i) and ii) above, return rights will be exercised in order of seniority and prior to job posting.

(c) In option ii) above, the employee will be eligible for relocation expenses to a maximum of five thousand dollars (\$5000.00) if they meet the criteria in Article 34 and provided the employee has resided in the new location for a minimum of eighteen (18) months.

(d) Refusal of any Company offer to exercise a return right will terminate that return right, except in circumstances where:

- (i) an employee has been bumped within their Reporting Area and refuses an offer which is outside their Reporting Area; or
- (ii) the position offered is not the same category (Full Time or Part Time) as was held prior to exercising an option in accordance with Article 12.11.

Where there is a conflict between employee return rights and/or recall rights, seniority will be the determining factor.

Recall Rights

12.16 Regular Employees on layoff will have a right to recall for twenty-four (24) months. If the employee is not recalled within this twenty-four (24) month period, the employee will be terminated from the Company with no further right to recall.

In the event of a recall, the following provisions will apply:

(a) If a Regular Employee is recalled within thirty (30) days of layoff, there will be no break in service for all purposes.

(b) Employees will be recalled by seniority and will have the following recall options:

- (i) to be recalled to the same Classification from which they were laid off; or
- (ii) to be recalled to another Classification in which the employee has actual experience; or
- (iii) to be recalled to any Classification for which the laid off employee has the ability and meets the Standard Entry Level Qualifications for the job, with a training and familiarization period not to exceed eight (8) weeks. If the employee is not, in the Company's view, performing the job satisfactorily following the familiarization period, the Company has the right to lay the employee off. The employee will resume their recall period.

(c) Bridging of service and seniority will be done immediately.

(d) A laid off employee may refuse recall if the position to which they are being recalled is not in the same Classification and Reporting Area from which the employee was laid off. However, if the employee refuses recall to the Classification and Reporting Area from which the employee was laid off, the employee's name will be removed from the recall list and the employee's recall rights will be deemed to have expired.

(e) Full Time Employees may refuse recall to a position which is not Full Time and Part Time Employees may refuse recall to a position which is not Part Time, without losing their right to recall.

Severance Pay

12.17 Regular Employees who are laid off will be eligible for severance. Severance will be paid at the expiry of the employee's recall rights. The employee may request severance pay prior to the expiry of their recall rights and forego their recall rights. Payment of severance will be made within thirty (30) days of their entitlement or request, or as otherwise mutually agreed.

(a) The severance allowance will not be less than three (3) weeks pay for each full year of service and will be prorated for any partial year of Net Credited Service to a maximum of seventy-eight (78) weeks pay.

(b) Employees receiving benefits under this Article will not qualify for any other termination benefits in this Agreement.

Technological Change and the Canada Labour Code

12.18 The Company and the Council agree that Sections 52, 54 and 55 of Part 1 of the Canada Labour Code will not apply to the parties during the term of this Agreement.

ARTICLE 13 – JOB POSTING

13.01 A vacancy is an opening or a new position within a Classification that the Company has determined must be filled. All regular vacancies will be posted to permit any employee in the bargaining unit to apply, with the exception of vacancies that have been filled through the provisions of Articles 12, 28 or 33. Temporary vacancies may be posted at the Company's discretion.

Vacancies will be posted on electronic bulletin boards, and all bargaining unit employees will be notified of the posting by email. Vacancies will be

posted for a period of at least fourteen (14) days. Employees who wish to apply for a posted vacancy will submit their application electronically through Career Opportunity System, if available. Where electronic access to Career Opportunity System is not available, applications will be submitted directly to the immediate supervisor. All applicants will receive electronic acknowledgement of their application.

A copy of each posting will be forwarded electronically to each Member Local at the time of the posting.

13.02 All postings will include but are not limited to the following:

- (a) closing date of posting
- (b) location(s) of vacancy (Reporting Centre(s))
- (c) Classification and hours of work for vacancy
- (d) category of vacancy (i.e. Full Time, Part Time, Regular, Temporary)
- (e) number of positions available
- (f) Standard Entry Level Qualifications for the vacancy
- (g) reporting supervisor
- (h) identification of the posting as a replacement and/or addition
- (i) other information not related to qualifications (including if the position is Remote, Mobile or Work from Office)

Language capability may be one of the entry level qualifications on a specific posting for any Classification, when required for valid business reasons.

13.03 Applicants will be considered in the following order:

- (a) Regular Employees, including employees with recall rights
- (b) Temporary Employees
- (c) persons from outside the bargaining unit

The Company will consider, but is not obligated to select, Temporary Employees or persons from outside the bargaining unit.

13.04 When selecting from employees who apply for a vacancy, candidates must meet the Standard Entry Level Qualifications, have the ability to perform the job and have a satisfactory performance record (meaning that the employee's most recent performance rating was "Achieves" or "Exceeds") to be considered in the selection process. The most senior qualified applicant who has the ability and a satisfactory performance record will be awarded the job.

13.05 A list of applicants from the bargaining unit will be forwarded to each Member Local before an applicant is selected. This list will include the seniority, Reporting Centre and current Classification of the applicants. Where vacancies are filled internally, the successful applicant and each Member Local will be notified within thirty (30) days of the closing date. All applicants will be notified that the vacancy has been filled. If unsuccessful, an employee may request to review their application with the manager responsible for the selection and Human Resources.

If there are no qualified applicants from within the bargaining unit, the Council will be notified within forty- five (45) days of the closing date if the Company intends to fill the vacancy externally.

Unless with the approval of the Council, job postings will not be cancelled after the closing date, if there are qualified applicants who are Regular Employees.

13.06 If an employee moves to a position in a higher wage scale as a result of a posting, they will go to the new wage scale in accordance with Article 17.07 on taking up their new position or within six (6) weeks of the closing date of the posting, whichever is earlier. If the new position has different standard hours of work, the employee will begin working the new standard hours of work on taking up the new position.

Once the successful candidate has been notified, the Company will make arrangements for the employee's transfer to their new position within twelve (12) weeks of the closing date of the posting. However, in exceptional circumstances, this interval may be extended by mutual agreement between the Company and Member Local(s).

13.07 If an employee moves to a position in a lower wage scale as a

result of a posting, they will go to the new wage scale on taking up their new position. The employee will move to the step on the new scale that is closest to their existing wage rate without being higher than their existing wage rate.

13.08 Employees, who are the successful candidates in job postings, will be eligible to receive reimbursement for relocation expenses, if they meet the criteria in Article 34.04. An employee, who receives relocation expenses as a result of being awarded a job posting, will not be eligible to receive such benefits again for a period of thirty-six (36) months of being awarded the job, unless the employee is required to relocate in accordance with the provisions of Article 12 or 33.

ARTICLE 14 – DISCIPLINE

14.01 No employee will be subjected to disciplinary action without just and sufficient cause.

14.02 The employee's manager will arrange with the Local Union for the applicable Steward or other Local Representative to be present, as a full participant, at any meeting where discipline is to be imposed or at any investigative meeting with an employee that is expected to result in discipline. No such meeting will be held without participatory Council representation. No employee will be required to attend such a meeting without prior consultation with a Steward or Council Representative.

14.03 All disciplinary action will be documented in writing and will include the reason(s) for the discipline. The written notice of discipline will be given to the employee at the time the discipline is imposed.

14.04 Copies of all notices of disciplinary action provided under this Article will be given to the appropriate Local Union Steward at the same time it is given to the employee. In extraordinary circumstances where it is not possible to provide the notice before the imposition of discipline, the Company will immediately thereafter provide the notice as required.

14.05 All record of disciplinary actions will be cancelled and removed from the employee's file and may not be used in any way after eighteen (18) months, unless during that period any additional disciplinary actions are taken for related causes. In the case of additional disciplinary action the record will be extended for a further eighteen (18) months from the date of the last related occurrence.

14.06 An employee may view and make copies of all records in their personal file on request to their supervisor.

14.07 Performance reviews and performance review records will not be used as a basis or support for discipline beyond a written warning. Progressive discipline may continue beyond the written warning but cannot refer to the performance review.

14.08 An employee dismissed for cause will be paid for all unused vacation entitlements.

ARTICLE 15 – GRIEVANCE PROCEDURE

15.01 When any dispute arises between the Company and the Council concerning interpretation, application, administration or alleged violation of this agreement it will be resolved in the manner set out below.

15.02 Except for Company grievances, the grievor involved will have the right to active Council representation and the right to attend grievance meetings without loss of basic pay or benefits. The Company will pay reasonable travel expenses for the grievor and a maximum of two (2) Council Representatives, who are Active Employees, to exercise their right of attendance at grievance meetings in accordance with Article 15.03 and 15.08. For grievances involving more than one (1) grievor, payment of basic pay, benefits and reasonable travel expenses under this clause will be limited to four (4) grievors as determined by the Council, and a maximum of two (2) Council Representatives who are Active Employees.

15.03 Participants at all grievance meetings will have the right to attend in person if travel less than or equal to one hundred (100) kilometers is required.

The Company reserves the right to use conferencing technology for all participants if travel greater than one hundred (100) kilometers is required. Where available, video conferencing will be used. In exceptional circumstances where union representation is not available at the grievance meeting location, one (1) union participant will be permitted to travel to allow the grievor and one (1) union participant to be at the same location.

The Company will determine the location of all grievance meetings.

15.04 Time limits in this Article may be extended by mutual written agreement between the Council or the appropriate Member Local and the Company. In this grievance procedure the time limits refer to calendar days.

15.05 Where an employee is dismissed or is suspended for any period in excess of five (5) days, the grievance will be submitted to the Director of Labour Relations who will ensure that the most appropriate senior manager who has the authority to reverse the dismissal or suspension will meet with Council Representatives and the grievor within seven (7) days. If the senior manager is unable to meet within the time limit above or the grievance is not resolved within seven (7) days of the meeting, the Council may refer it directly to binding arbitration.

15.06 Grievances that are not of an individual nature and that have a wide application, or those concerning interpretation of this Agreement and the general policy of the Company, will be submitted directly at Step 3 of the procedure in Article 15.08 to the Director of Labour Relations.

15.07 Company grievances will be submitted to the Council Chairperson who will convene a meeting within seven (7) days with the Company to discuss the issue. The Company may refer unresolved grievances to arbitration.

15.08 The steps of the Grievance Procedure are:

(a) **STEP 1:** Within thirty (30) days of the employee or the Member Local becoming aware of the incident or situation giving rise to the grievance, the employee and/or a Union Representative will discuss the matter with the immediate supervisor involved. The supervisor will respond within five (5) days. Should the Company not respond in the allotted timeline, the grievance will be deemed to be moved to the next step of the grievance procedure.

(b) **STEP 2:** If the dispute is not settled at Step 1, the Member Local on behalf of the Council may, within ten (10) days of receiving the reply, submit a written grievance to the next level of management and the Labour Relations group. Within ten (10) days of receipt of the grievance, the next level of management will provide the Steward involved, and Member Local with a written response to the grievance. Should the Company not respond in the allotted timeline, the grievance will be deemed to be moved to the next step of the grievance procedure.

(c) **STEP 3:** If the dispute is not settled at Step 2, the Member

Local on behalf of the Council may, within ten (10) days of receiving the reply, refer the grievance to the next level of management reporting directly to a Director or Vice President. Representatives of the Council, the grievor, the manager and other representatives of the Company, including Labour Relations, shall meet to discuss the issue within thirty (30) days of referral to Step 3. In accordance with subsection 15.03, such meeting could take place using conferencing technology.

Within ten (10) days following this meeting, the Company will provide the Steward(s) involved, and Member Local with a written response to the grievance.

Within ninety (90) days from the expiration of the thirty (30) day referral period in Step 3, the Council may submit the matter to arbitration as provided for in Article 16.

Should the Council fail to refer the grievance to the next step within the specified time limits above, the grievance will be deemed abandoned.

15.09 Complaints on matters not involving interpretation, application, administration or alleged violation of this Agreement, or general policy of the Company, may be taken up either by the employee, the Steward or the employee's representative, with the employee's immediate supervisor and if necessary, with successive levels of management up to the appropriate Director or Vice President. Such complaints may not be referred to arbitration without mutual agreement between the Council and the Company.

ARTICLE 16 – ARBITRATION

16.01 If a dispute concerning interpretation, application, administration or alleged violation of this agreement is not resolved following the completion of the grievance procedure, the matter may be referred by the grieving party to binding arbitration.

16.02 The grieving party will notify the other party in writing of its intention to refer the matter to arbitration. The notice will indicate the grieving party's preference to have the matter dealt with by conventional or expedited arbitration.

16.03 The grievance will be placed before a single Arbitrator who will be mutually agreed upon by the parties. If the parties cannot agree upon an Arbitrator within fourteen (14) calendar days, either party may request the

Federal Minister of Labour to appoint an Arbitrator.

16.04 Upon mutual agreement by the parties, the grievance may be placed before a Board of Arbitrators, which the parties agree to nominate. The Arbitration Board will consist of a nominee of the Council, a nominee of the Company and a Chairperson who will be selected by the appointed nominees. Should the appointed nominees fail to agree upon a Chairperson within five (5) days from the date of their nomination, either party may request the Federal Minister of Labour to appoint a Chairperson.

16.05 As a condition of appointment, the Arbitrator or Board of Arbitrators must agree to hold a hearing on the grievance within sixty (60) days of their appointment and to render a timely decision, unless the Company and the Council agree otherwise.

16.06 The decision of the Arbitrator or Board of Arbitrators will be final and binding on both the Council and the Company.

16.07 Neither the Arbitrator nor Board of Arbitrators will have the power to amend, cancel or add to the terms of this Agreement and in rendering a decision they will be bound by the terms of this Agreement. The Arbitrator or Board of Arbitrators has the power to substitute for the discharge or discipline such other penalty as the Arbitrator or Board of Arbitrators deems just and reasonable in the circumstances. Such decision will not have retroactive effect prior to the date of the incident giving rise to the grievance.

16.08 Each of the parties to this Agreement will bear the expenses and compensation of the Arbitrator or the Chairperson of a Board of Arbitrators in equal shares. In cases where an Arbitration Board is used, each of the parties will bear the expenses and compensation of its nominee individually. The Company will pay the basic wages and reasonable expenses for employees who are Company witnesses. The Company will also pay the basic wages and reasonable expenses for one (1) grievor and one (1) Council Representative who are Active Employees. The Council is responsible to pay the wages and expenses for their other witnesses and observers.

16.09 The parties agree to use Expedited Arbitration as a means of resolving grievances. However, both parties will have the right to require the use of the formal arbitration process in this Collective Agreement for any grievance. If Expedited Arbitration is chosen as a means to resolve the grievance, the following principles will apply:

- (a) Hearings will be short and conducted in an informal manner. Decisions will be issued within three (3) business days of the conclusion of the hearing.
- (b) The parties will agree on a list of Arbitrators from each of the four (4) Atlantic Provinces to conduct the hearings. Arbitrators will serve for a specific period of time. Both parties will agree on a fee structure.
- (c) The parties will not be represented by practicing lawyers at the hearings.
- (d) There will be full disclosure by the parties of evidence, precedents, and documents in advance of the hearings.
- (e) The parties will minimize the use of witnesses at the hearings.
- (f) The parties will use concise arguments at the hearings.
- (g) The Arbitrator will have the power to accept any evidence that they rule is reliable and relevant.
- (h) The Arbitrator will have the power to mediate between the parties at any stage of the process, by encouraging a settlement or suggesting possible outcomes.
- (i) Any decision of the Arbitrator will be made without prejudice and will not be a precedent for future proceedings unless the parties agree.
- (j) Decisions will be final and binding.

ARTICLE 17 - WAGE ADMINISTRATION

17.01 All employees will be paid in accordance with the Basic Wage Rates established for all Classifications as set out in Appendix C of this Agreement. Except as provided by the terms of this Agreement, no employee's Basic Wage Rate or Classification will be changed without the agreement of the Council.

17.02 Progressional wage increases as outlined in Appendix C will be automatically granted to Regular Employees. Progressional wage increases will be effective on the date on which the employee completes their step progression relative to their date of hire. The time interval between each step in the wage table will be six (6) months.

17.03 Employees who are on Sickness Disability Benefits will continue to receive any general wage increase on the effective date. Employees who are absent from work, without pay, for any other reason will receive the general wage increase effective on the date they return to work.

17.04 Employees will be paid every alternate Friday by direct deposit and will have full access to their pay by 12:01 a.m. (00:01) on each pay day. Where the Regular Payday falls on a Paid Holiday, employees will be paid on the previous regular working day. The employee's pay advice will be available electronically two (2) days prior to the pay day, and in paper form on or before pay day.

17.05 Errors in Regular Pay will be corrected immediately. Errors in Exception Pay will be corrected on the next Regular Pay cycle.

17.06 Full Time Employees will be paid Regular Pay on a current basis with no holdback. Part Time Employees will be paid for their regular and scheduled part time hours bi-weekly. Exception Pay for all employees will be no more than two (2) weeks in arrears.

17.07 Employees who are temporarily reassigned to a lower paid Classification will continue to be paid at their current rate of pay and will continue to receive all progressional and/or negotiated increases on their normal wage scale for the duration of the temporary assignment. Employees who are temporarily reassigned or who post to a higher paid Classification will move to the step on the new scale that provides for at least a ten percent (10%) increase or to the top of the new scale if there is no step that provides at least a ten percent (10%) increase.

ARTICLE 18 – LEAVES OF ABSENCE & TIME OFF

Child Care

18.01 Maternity and Parental Leave (Child Care Leave) will be in accordance with the provisions of the Canada Labour Code. When requested, the Human Resources Group will provide copies of the applicable provisions of the Canada Labour Code.

18.02 (a) Regular Employees having six (6) months of continuous service who take Maternity Leave will be eligible for a top up to Employment Insurance (EI) Maternity Leave benefits for seventeen (17) weeks and a top up to EI Parental Leave benefits for ten (10) weeks. These employees will receive one hundred percent (100%) of their regular wages for the two (2) week waiting period. During the next twenty-five (25) weeks, following the waiting period, the combination of the employee's weekly EI benefit payment and the income top up payment will equal seventy-five percent (75%) of the employee's regular gross earnings prior to the commencement of the leave. Company provided benefits under this Article will be paid on a bi-weekly basis.

(b) Regular Employees having six (6) months of continuous service who take only Parental Leave will be eligible for a top up to Employment Insurance (EI) Parental Leave benefits for twenty-five (25) weeks. During this period the combination of the employee's weekly EI benefit payment and the income top up payment will equal seventy-five percent (75%) of the employee's regular gross earnings prior to the commencement of the leave. Company provided benefits under this Article will be paid on a bi-weekly basis.

(c) EI legislation currently permits the sharing of Parental Leave benefits by both parents. If both parents are Regular Employees of the Company, Parental Leave top-up benefits may also be shared but cannot exceed twenty-five (25) weeks of benefit in total.

18.03 (a) If a pregnant employee is unable to perform an essential function of her job, and no appropriate alternative employment is available, she will be placed on a paid leave of absence for such time as she is unable to perform the essential function.

Employees who are medically unable to perform their normal job functions, and no alternative functions are available, or who are advised to stop working by their physician prior to the anticipated birth of their child, will have access to the applicable sickness benefits under Article 28 until such time as they become eligible for Child Care Leave.

(b) The Company will attempt to find suitable alternate work for a pregnant employee who does not want to work on a regular basis with video display terminals (VDT) and, if necessary, will displace Temporary Employees to allow for the reassignment of the pregnant employee to an alternate position consistent with the employee's ability and level of training. If, however, a suitable position within the bargaining

unit is not available, an employee may apply for a leave of absence without pay for the period prior to the employee's regularly scheduled maternity leave.

18.04 During Child Care Leave, an employee will be eligible to continue participation in the Company's pension and benefit programs.

18.05 When an employee returns from a Child Care Leave of absence they will be reinstated in their former job and location provided their former job exists at that location. If the former job no longer exists when the employee returns, they will be offered another job (where possible in the same location). In either case, the employee will be paid at the same Basic Wage Rate and the same step they would have occupied had they not taken the Child Care Leave.

18.06 The Company will grant three (3) days paid leave to employees, on the occasion of the birth of the employee's child. This leave is applicable only to Regular Employees who do not take maternity leave. The leave will be available immediately on the day of the mother's confinement and may be taken at any time from that day until the end of the two (2) weeks following the birth of the child. The employee must request this leave at least one (1) month in advance of the expected date of the birth of the child.

18.07 The Company will grant four (4) days paid leave for Regular Employees, who are in the process of adopting a child. This leave must be requested as far in advance as possible.

Bereavement

18.08 Employees will be granted bereavement leave with pay from any of their scheduled tours of duty as follows:

(a) The Leave falls within the five (5) working day period immediately following the day of death of an immediate family member and will normally not exceed five (5) working days for each occasion of bereavement.

(b) Employees may be granted paid time off, with the supervisor's approval, to attend the funeral of an individual who is not an immediate family member. Requests will not be unreasonably made or denied.

(c) When there are exceptional circumstances, additional paid time off may be granted with the supervisor's approval. Exceptional

circumstances may include either extensive travel to attend a funeral and/or take more bereavement time even though the funeral is not for an immediate family member. Requests will not be unreasonably made or denied.

(d) Days on which a bereaved employee is on vacation will be counted as bereavement days in accordance with 18.08 of this article and offsetting vacation will be allowed.

(e) In this Article, "immediate family member" means:

- (i) the employee's spouse or common-law partner;
- (ii) the employee's father and mother and the spouse and common-law partner of the father or mother;
- (iii) the employee's children and the children of the employee's spouse or common-law partner;
- (iv) the employee's son-in-law or daughter-in-law;

- (vi) the employee's brothers and sisters;
- (vii) the grandfather and grandmother of the employee;
- (viii) the father and mother of the spouse or common-law partner of the employee and the spouse or common-law partner of the father or mother; and
- (ix) any relative of the employee who resides permanently with the employee or with whom the employee permanently resides;

(f) In this Article, "common-law partner" means a person who has been living with an individual in a conjugal relationship for at least one year, or who had been so cohabiting with the individual for at least one year immediately before the individual's death.

(g) Should the definition of immediate family for the purposes of Bereavement Leave under the Canada Labour Code change in the future, the Company agrees to meet with the Council to discuss the change and whether it will apply to the Collective Agreement.

Incidental Leaves – Family and Personal Issues

18.09 The immediate supervisor may authorize wage payment to Regular Employees for occasional absent time arising from illness of a member of the family or to deal with personal issues. Absences of this type should be of brief duration, only long enough to arrange for someone to take over the responsibilities and duties which require the employee's attention. One (1) day or less per occurrence should usually

be adequate. Requests to and authorization by the immediate supervisor will not be unreasonably made or withheld.

Other Leaves

18.10 Employees will be excused from work, without loss of pay, while under quarantine, serving jury duty, or as a voluntary fireperson in the actual fighting of the fire. Unless as identified in other Articles in this Agreement, employees will be excused from work, without loss of pay, while serving as a subpoenaed witness. No extra time, differentials and/or premiums will be allowed for time spent in these duties.

18.11 Employees will be allowed sufficient time off, with pay, to give blood.

18.12 Employees having the right to vote during Federal, Provincial or Civic elections will be granted time off with pay in accordance with Federal, Provincial or Civic law.

18.13 The Company offers a number of other leaves, as listed below, to deal with employee, community or corporate issues. Information on these leaves will be made available to employees. The Company agrees not to diminish the level of the benefit provided by these leaves during the life of this Agreement:

- (a) Extended Family Leave
- (b) Personal Leave
- (c) Education Leave
- (d) Reserves Leave
- (e) Compassionate Care Leave

18.14 The Company recognizes that employees sometimes face situations of violence or abuse in their personal life that may affect their attendance or performance at work. For that reason, the Company agrees, when there is adequate and timely verification from a recognized professional (i.e. doctor, lawyer, registered counsellor), an employee who is in an abusive or violent situation will not be subject to discipline if the absence can be linked to the abusive or violent situation. Absences which are not covered by sick leave or disability insurance will be granted as absence with pay, up to a maximum of five (5) days per calendar year.

ARTICLE 19 - TRAVEL & EXPENSES

19.01 Employees will normally use a corporate credit card for travel expenses covered under this article. No employee will be required to accept personal liability for corporate expenses incurred using the corporate credit card. Employees who for personal reasons, prefer not to use a corporate credit card may request an alternate method of reimbursement. Such requests will not be unreasonably denied.

19.02 When an employee is assigned away from their Reporting Centre, the Company will provide reasonable transportation to and from the worksite. The employee may, with the agreement of their supervisor, use their personal vehicle at current rates paid by the company for use of personal vehicles. Where two (2) or more employees choose to travel together only one (1) person may claim for personal car use. The employee is responsible to ensure they carry the proper insurance that enables them to use their personal vehicle for business purposes.

19.03 When an employee is required to work or receive training away from their Reporting Centre, they will be reimbursed for reasonable out of pocket expenses associated with the travel. These out of pocket expenses will include items such as parking, highway tolls and bridge fees but would not include meals. Receipts are required where practical.

19.04 (a) Travel to an employee's Reporting Centre for the start of the employee's tour will be on the employee's own time without compensation.

(b) Travel time to another Reporting Centre or a course of instruction within fifteen (15) kilometers of the employee's Reporting Centre for the start of an employee's tour, will be on the employee's own time without compensation.

(c) All other travel time on Company instructions will be on Company time and the applicable rates of pay will apply. Where the travel time exceeds the normal working hours of the employee, the applicable Overtime rate will apply except that, travel time to and from a course of instruction will be paid at one and one-half (1.5) times the employee's Basic Wage Rate.

(d) Travel time to a location other than the employee's Reporting Centre will be the time required to travel from the Reporting

Centre to the other location, less the time between 10:00 p.m. (22:00) and 7:00 a.m. (07:00) if sleeping accommodation is provided and the employee can avail of it.

19.05 A minimum of seven (7) calendar days notice will be given to an employee, who is required by the Company to be away from the employee’s home for an overnight or longer period. If an employee is given less than seven (7) days notice, this will be deemed a schedule change and the employee will be compensated as per Article 27.04.

19.06 An employee who is assigned away from their Reporting Centre may return home for their scheduled days of rest. The trip will be at Company expense, as per Article 19.02. For time spent traveling on such trips, the employee will be compensated at Basic Wage Rates. Employees may be required, at the discretion of management, to travel outside of their scheduled working hours, for which they will receive additional pay at basic rates. If the employee is required to travel outside of their scheduled working hours for either the initial travel to the assignment or returning on the last day of the assignment, the employee will be compensated at the applicable Overtime rate for travel to or from their normal Reporting Centre.

19.07 Employees who are required to work more than seventy (70) kilometers normal travel distance away from their Reporting Centre for an overnight period will have the following options:

Company Provided Accommodations

(a) The Company will provide reasonable quality single accommodations, if available, in the locality where the work is being performed.

day the employee is required to stay overnight and is intended to cover personal expenses associated with the overnight stay. For the days on which the employee leaves and returns, they will receive only the applicable meal per diems and, subject to an overnight stay, the miscellaneous per diem. For travel in the USA, the per diems will be paid in US dollars.

The Company will continue to provide such accommodation and per diems, as provided in this article, during the following periods:

- (i) All days on which no work is scheduled.

(b) Employees, who do not return home and choose to be responsible for their own accommodations, will be entitled to claim living expenses of seventy-five dollars (\$75.00) per day plus the applicable per diems as specified in Article 19.07 a). This will apply only on days when they would normally be entitled to accommodation reimbursement.

Travel to and from the alternate accommodation in a Company vehicle requires the approval of the employee's supervisor. In all cases, the employee will be required to be back at the job location for the beginning of the next tour of duty.

It is understood that when employees choose this option, the Company accepts no responsibility, whatsoever, for loss or damage to personal property or the injury of third parties while employees are at the accommodation or enroute to or from the accommodation and worksite.

Returning Home Each Night

(c) Employees, who choose to return home each night will be entitled to claim living expenses of fifty dollars (\$50.00) per day plus the mid tour meal per diem as specified in Article 19.07 a). The living expense amount fifty dollars (\$50.00) will apply only on days when they

would normally be entitled to accommodation reimbursement.

Travel between the worksite and the employee's home will be on the employee's own time and at the employee's own expense and the provisions of Article 19.02 will not apply to this travel. In all cases, the employee will be required to be back at the job location for the beginning of the next tour of duty.

It is understood that when employees choose this option, the Company accepts no responsibility, whatsoever, for loss or damage to personal property or the injury of third parties while employees are traveling to and from the worksite.

19.08 Whenever an employee is working in excess of thirty-five (35) kilometers away from their Reporting Centre during their meal period, they will receive a per diem equivalent to the Mid Tour Meal per diem set out in Article 19.07 a). A meal per diem will not apply if a reasonable quality meal is provided and no other options are available to the employee.

22.06 Combination employees in the Goose Bay Reporting Centre, scheduled to work within Labrador but outside their normal Reporting Centre for a period of two (2) consecutive weeks or greater, and where a minimum of five (5) overnight accommodations are required, may be scheduled on an eight (8) consecutive day basis up to a maximum of ten (10) hours per day. All scheduled tours shall commence on the first Monday of the Scheduling Period and end on the following Monday, unless the employee agrees to begin and end on another day in the Scheduling Period.

Following each of these eight (8) day tours, unless it is mutually agreed by the employee and the supervisor to do otherwise, the employee will be scheduled for a minimum of one (1) week of five (5) eight (8) hour tours or one (1) week of four (4) ten (10) hour tours as per Article 27.02 of the Collective Agreement, that will not require an overnight or longer stay. All other articles of the Collective Agreement shall apply including, but not limited to, Article 24 - Differentials and Premiums.

ARTICLE 23 – OVERTIME

23.01 (a) Overtime rates will be paid to Full Time Employees for each hour worked in excess of a scheduled tour or on any day which is not a scheduled work day. For Overtime which is less than a full hour, employees will be paid at overtime rates for the portion of the hour worked.

However, additional time worked immediately following the employee's regularly Scheduled Tour of Duty must exceed ten (10) minutes before the employee will be compensated for the additional time. It is agreed that circumstances where an employee is expected to work additional time of less than ten (10) minutes immediately following their regularly Scheduled Tour of Duty are to be considered as exceptions rather than normal operating practice.

(b) Overtime will be paid at a rate of two (2) times the Basic Wage Rate for all overtime hours worked under the following circumstances:

- (i) between midnight (24:00) and 7:00 a.m. (07:00) on any day
- (ii) between 7:00 a.m. (07:00) and midnight (24:00) Sunday
- (iii) on scheduled days of rest
- (iv) in excess of four (4) continuous hours of Overtime
- (v) in excess of twelve (12) hours (meal hours excluded) in the twenty-four (24) hour period from the commencement of the employee's Scheduled Tour of Duty
- (vi) when required to work through their meal period during their scheduled tour as per Article 23.06
- (vii) when required to work overtime that is continuous with the conclusion of a regularly scheduled tour, and the employee has already worked overtime that was continuous to the start of that scheduled tour, and part

of that pre-tour overtime was paid at two (2) times the Basic Wage Rate.

(c) All other overtime hours will be paid at one and one-half (1.5) times the Basic Wage Rate.

(d) When an employee is temporarily working at a higher Basic Wage Rate, the higher Basic Wage Rate will be used in the computation of overtime payment.

(e) Overtime rates will be paid only when the work has supervisory approval.

23.02 (a) Employees who are required to work Overtime will receive reasonable advance notice. Except in cases of emergency as defined by Part III, Division I of the Canada Labour Code, employees will not be required to work in excess of eight (8) hours of Overtime in a scheduling period. All Overtime in excess of eight (8) hours in a scheduling period will be on a voluntary basis.

(b) Overtime that is not continuous with the scheduled tour but is scheduled in advance will provide at least four (4) hours pay at the Basic Wage Rate.

(c) Overtime work will be distributed, where practicable, equitably within a Supervisor Group/ Queue with consideration for employee preferences.

23.03 At the request of the Council, the Company will review the amount of Overtime worked by the employees in a group or a Reporting Centre over the previous six (6) month period. The results of the review, including statistics on the amount of Overtime worked, will be made available to the Council.

23.04 Overtime Meal Breaks and Meal Allowance

(a) (i) When an employee works two (2) hours or less Overtime, which is continuous with either the beginning or end of their scheduled tour, they will be paid their overtime wages but there will be no paid rest period, meal break, or associated meal allowance.

(ii) Notwithstanding Article 23.04 a) i), when an

employee works overtime that is continuous with the end of their scheduled tour and this falls into the normal supper time period, the employee will be allowed an associated meal allowance in accordance with Article 23.05. Subsequent continuous overtime that qualifies for a meal allowance qualifies for a fifteen dollar (\$15.00) meal allowance. There is no intent that an employee would receive their supper per diem and then an overtime meal two (2) hours later. The employee would be entitled to their overtime meal if they are still working after the four (4) hour period in which they received a supper allowance has expired. When an employee works overtime that is not continuous with the end of their shift, normal overtime meal allowance rules will apply.

(b) When an employee works more than two (2) hours Overtime, which is continuous with either the beginning or end of their scheduled tour, they will be paid their overtime wages and they will be entitled to a paid meal break not to exceed twenty (20) minutes and a fifteen dollar (\$15.00) meal allowance in accordance with Article 23.05. Employees in this situation will receive a subsequent twenty (20) minute paid meal break, in accordance with Article 23.05 for each additional four (4) hours of Overtime worked and a paid rest period of fifteen (15) minutes to be taken at or near the midpoint of each subsequent three and three-quarter (3.75) or four (4) hour period of Overtime.

(c) When an employee works two (2) hours or less Overtime which is not continuous with either the beginning or end of their scheduled tour, they will be paid their overtime wages but there will be no paid rest period, meal break or associated meal allowance.

(d) When an employee works between three and three-quarter (3.75) and four (4) hours Overtime which is not continuous with either the beginning or end of their scheduled tour, they will be entitled to receive a fifteen (15) minute paid rest period at or near the midpoint of the three and three-quarter (3.75) to four (4) hour period. They will not be entitled to a paid meal break or associated meal allowance. When an employee works a full tour of Overtime on their day off which is equivalent to either seven and one-half (7.5) or eight (8) hours, they will be entitled to two (2) paid rest breaks – one at the midpoint of the first block of three and three-quarter (3.75) or four (4) hour period and another at the midpoint of the second block of three and three-quarter

(3.75) or four (4) hour period.

(e) When an employee works more than four (4) hours Overtime which is not continuous with either the beginning or end of their scheduled tour, the employee may be able to choose from the following options depending on the overtime work situation and their manager's decision. Both the first and/or the second option shown below are offered to the employee at the manager's discretion.

- (i) Optional – an employee may choose to take a one (1) hour unpaid meal break after the first four (4) hours of their non-continuous Overtime. If they choose this option, employees will not receive a paid meal break or associated meal allowance.
- (ii) Optional – an employee may choose to take a one-half ($\frac{1}{2}$) hour unpaid meal break after the first four (4) hours of their non-continuous Overtime. This must be by mutual consent of the manager and the employee. If they choose this option, employees will not receive a paid meal break or associated meal allowance.
- (iii) Optional – if the employee is not offered option one (i) and/or option two (ii), they will be entitled to receive a paid meal break not to exceed twenty (20) minutes and an associated fifteen dollar (\$15.00) meal allowance, as per Article 23.05. Employees may choose this option, even if options one (i) and/or two (ii) are offered to them. Employees will receive this option if option one (i) and/or two (ii) are not offered or are offered and not selected by the employee.

(f) While it should be a rare situation, employees who work more than eight (8) hours of Overtime which is not continuous with the beginning or the end of their scheduled tour, will be entitled to options as described above with respect to meal breaks and meal allowances each time they have worked more than four (4) hours. In situations such as this, the health and safety of employees and all stakeholders will be monitored even more closely than in normal circumstances.

(g) Employees and managers will be reasonable and fair with respect to the options available to employees working Overtime and there may be times that because of the customer situation, employees may only be able to have a paid meal break not to exceed twenty (20)

minutes and a meal allowance of fifteen (\$15.00) dollars. Fifteen (15) minute paid rest periods will be taken around mid-tour but will be considerate of providing proper customer service.

23.05 For each meal break in accordance with Article 23.04, the employee will receive a meal allowance of fifteen (\$15.00) dollars. This meal allowance will not apply in circumstances where a reasonable quality meal is provided and no other options are available to the employee.

23.06 If an employee is required to work through their meal period during their scheduled tour, their meal period will be considered as time worked and will be paid at an overtime rate of two (2) times the employee's Basic Wage Rate. In this case, the employee will be given a paid meal break of twenty (20) minutes. Employees will not be entitled to an overtime meal allowance for working through their meal period.

Minimum Rest Period

23.07 (a) An employee who works Overtime for a continuous period of at least four (4) hours will, wherever possible, be allowed a nine (9) continuous hour rest period before continuing on the next Scheduled Tour of Duty. The employee will be compensated at the Basic Wage Rate for the portion of the rest period which falls within the employee's next scheduled tour.

(b) If such an employee does not receive a nine (9) continuous hour rest period, they will be compensated one (1) time extra in addition to the Basic Wage Rate for each hour or part hour of encroachment on the nine (9) hour rest period. If the employee does not receive at least a four (4) continuous hour rest period, they will be compensated at one (1) time extra in addition to the Basic Wage Rate for all hours worked during their scheduled tour. Such employees may not be required to work the full scheduled tour but will be compensated at the Basic Wage Rate for any portion of the scheduled tour they do not work.

Call-Out

23.08 (a) With management consent, an employee who is called to work overtime which is unplanned and not continuous to their scheduled tour and who can perform the work at their home will be paid on an Overtime basis for the actual hours worked.

In no case will an employee who is called out receive less than four (4) hours pay at their Basic Wage Rate. This provision does not apply to Overtime which has been scheduled in advance.

(b) An employee who works Overtime which is unplanned and not continuous with their scheduled tour (call-out), will be paid on an overtime basis for all hours worked, including travel time directly to and from the work location where such travel is required. In no case will an employee who is called out receive less than four (4) hours pay at their Basic Wage Rate. This provision does not apply to Overtime which has been scheduled in advance.

Overtime Banking

23.09 (a) Regular Employees may request to bank Overtime in lieu of payment. Overtime can be banked on the basis of one (1) hour off for each hour of pay (e.g., one (1) hour paid at double time would be banked as two (2) hours).

(b) No more than eighty (80) hours may be banked in an employee's account at any one time. Hours in excess of eighty (80) hours will be paid out in the next pay period. A centralized record of banked time will be maintained in the employee database and a copy of this record will be forwarded to the appropriate Member Local each month. At least quarterly, employees will be given an update of their banked time including time added or used.

(c) The time off will be granted at the discretion of management and would normally require a minimum of fourteen (14) days written notice. Management maintains the right to defer the time off based on service requirements.

(d) The use of banked time in lieu of overtime payment will not in any way interfere with the scheduling of vacations.

(e) For each vacation scheduling group, the Company will notify employees of available banked days (if any) for each month in a calendar year. Notice will be given no later than one month plus a day in advance. Notice need not be given if there are no available banked days, or if there are no employees in the vacation scheduling group who are eligible to take time off under this process. Employees in the vacation scheduling group will be able to take those days as banked time off, in accordance with the following process:

- (i) to be eligible for banked time off in July or August, employees must not have vacation, floating holidays, or banked time scheduled in these months at the time notice is given, and must have enough banked

Overtime for one full tour

- (ii) employees will only be able to request one (1) day off using this process for the months of July and August only.
- (iii) requests will be approved on the basis of seniority for the months of July and August only.

This process does not prevent banked time off from being scheduled at any time, in accordance with 23.09 c).

23.10 Unless otherwise provided for under the terms of this Agreement, an employee will not receive the benefit of more than one (1) premium or overtime rate for the hours worked. Where more than one (1) premium or overtime rate may be interpreted as applying, the employee will be compensated at the highest single applicable rate. For the purposes of this clause, differentials will not be considered as premiums or overtime rates.

ARTICLE 24 – DIFFERENTIALS AND PREMIUMS

25.03 All Regular Employees with Net Credited Service of three (3) months or more will be granted the paid Floating Holiday(s), listed in Article 25.01, during the period from January 2nd to December 31st of that year.

25.04 Employees may, for religious reasons, designate alternate days to Good Friday and Christmas Day as paid holidays. Employees designating alternate days will not be entitled to holiday pay for Good Friday and Christmas Day and may be required to work on those days at their Basic Wage Rate, plus Overtime if applicable.

25.05 With the exception of Christmas Day and Boxing Day, employees will, wherever possible, not be scheduled to work two (2) consecutive paid holidays.

25.06 (a) A Full Time Employee not required to work on a paid holiday will receive holiday pay equal to the basic wages for the Standard Working Day.

(b) The following conditions will apply to employees who are scheduled to work on paid holidays:

25.08 The work schedule for the supervisor's workgroup/queue will identify available days when employees will be permitted to schedule their alternative days off under the terms of Articles 25.01 c), 25.06 b) iii), and 25.07. The employee's selection from the available days will be granted when the request is made fourteen (14) days prior to the requested day off. When an employee fails to provide fourteen (14) days notice, the day off will be granted at a time mutually agreeable between the employee and the manager.

ARTICLE 26 – VACATION

26.01 All Regular Employees will be entitled to an annual vacation with pay. The vacation year will be twelve (12) months between January 1st and December 31st of the same year.

Vacation credits are not earned during periods of LTD, Personal Leaves, Educational Leaves or for Worker's Compensation exceeding one year.

26.02 All employees hired as regular will be granted one (1) day of vacation with pay for each full month worked between January 1st and December 31st of the same year, to a maximum of ten (10) working days.

26.03 Effective with the 2005 vacation year, all Regular Employees will be entitled to vacation with pay on the following basis:

Years of Net Credited Service	Working Days of Vacation
Less than 1	10 (maximum per Article 26.02)
1 but less than 9	15 days plus winter bonus if applicable
9 but less than 20	20 days plus winter bonus if applicable
20 but less than 25	25 days plus winter bonus if applicable
25 and over	30 days plus winter bonus if applicable

For the purpose of vacation entitlement, an employee's Net Credited Service will be the Net Credited Service that the employee is expected to have on December 31st of the vacation year for which the vacation is being scheduled.

26.04 (a) For the 2004 vacation year, vacation entitlement (including winter bonus where applicable) for all employees will be in accordance with the Collective Agreement governing employees in each respective province as of January 1st, 2004.

(b) Effective with the 2005 vacation year, winter bonus will be added to qualifying vacations as shown in Article 26.03, for all Regular Employees of record on September 20th, 2004. Winter bonus is applicable when all or part of the vacation is taken during the winter bonus period, between January 5th and April 30th and between October 15th and December 20th of the same vacation year. No winter bonus will apply to employees in their first year of employment.

(c) Employees hired on or before August 3rd, 1999 with less than twenty-five (25) years Net Credited Service will be given an additional day of paid vacation for every two (2) days of vacation taken in the winter bonus period, to a maximum of four (4) bonus days per vacation year.

(d) Employees hired after August 3rd, 1999 will be given an additional day of paid vacation for every five (5) days of vacation taken in the winter bonus period, to a maximum of four (4) bonus days per vacation year.

(e) Winter bonus days will be taken during the winter bonus period and cannot be carried to the next calendar year.

(f) Employees hired after September 20th, 2004 are not eligible to receive any winter bonus.

(g) Employees who have twenty-five (25) or more years of Net Credited Service will be given an additional day of paid vacation for every five (5) days of vacation taken between January 5th and April 30th, to a maximum of four (4) winter bonus days per vacation year. Bonus days earned must be taken in the same period.

(h) Employees who have twenty-five (25) or more years of Net Credited Service, who do not have access to any vacation during the

period from the first full week in July to the last full week in August of the same vacation year, through the normal vacation scheduling process, will be given access to one (1) week of vacation during this period. Available weeks will be chosen by the employer based on service requirements and will be offered in order of seniority.

26.05 All vacation will be paid at the employee's Basic Wage Rate.

Vacation Scheduling

26.06 (a) Scheduling of vacations will begin no later than October 1st of the year previous to the vacation year and will be completed and posted by November 30th of the same year.

(b) Available vacation periods will not be reserved or held by employees during the selection process. An employee who delays the selection process for an unreasonable period will be given notice and will have a maximum of twenty-four (24) hours to submit their vacation selection. If a selection is not made, the next most senior employee will have an opportunity to make their vacation selection.

(c) For the purposes of scheduling vacation, each working day scheduled as vacation is equivalent to the number of hours in the Standard Working Day for that employee.

(d) Vacation entitlements may be divided and taken in more than one (1) period during the vacation year. Except for the weeks which include Christmas Day or New Year's Day, vacations will be scheduled in one (1) week blocks. However, once vacation scheduling for the one (1) week blocks has been completed, a second round of vacation selection will provide for employees to select remaining vacation time of less than one (1) week provided this does not interfere with another employee's scheduled vacation.

During the first round of vacation scheduling, employees will be permitted to take up to three (3) weeks of their vacation entitlement during the period from the first full week in July to the last full week in August.

(e) Vacations will be scheduled on the basis of seniority within a vacation scheduling group. The supervisor will endeavor to allow as many employees as possible, in the vacation scheduling group, to take vacation at the same time, given workload and service requirements. However, at least fifteen percent (15%) of a vacation scheduling group will be allowed to schedule vacation at any given time. The vacation scheduling group will normally be all employees in the same

Classification within the queue or immediate supervisor's workgroup. A supervisor's workgroup is a group of employees, reporting to the same supervisor, who work together on a regular basis and who normally backfill for each other. Extended geography covered by a workgroup may make a single vacation scheduling group impractical. Also, there may be circumstances where the group of employees who normally backfill for each other extends beyond more than one (1) supervisor's workgroup. These exceptions will be reviewed with the Council before vacation schedules are distributed.

Management reserves the right to ensure that 100% of the employees in a Reporting Centre, or in a vacation scheduling group, or in a supervisor group are not scheduled or permitted to be on vacation at the same time.

(f) For the purposes of calculating the fifteen percent (15%) threshold for groups of twenty-four (24) or fewer, normal rounding rules will apply. For the purposes of calculating the fifteen percent (15%) threshold for groups of twenty-five (25) or more, the fifteen percent (15%) minimum will always be rounded up to the next nearest whole number.

(g) Employees will have two (2) consecutive scheduled days of rest on either the weekend before or the weekend after any vacation period that is one (1) week or more in length. Wherever practicable, employees will have two (2) consecutive scheduled days of rest scheduled on both weekends.

(h) When an employee moves to another vacation scheduling group, or cancels their selected vacation prior to the start of their vacation selection, and the change results in there being a period where less than fifteen percent (15%) of the vacation scheduling group is on vacation, the vacation period(s) selected by that employee will be offered in order of seniority to the other employees in the vacation scheduling group. Selection for the newly available period will begin with the employee who is next lowest in seniority to the employee who has moved to another vacation scheduling group or who cancelled the period.

(i) Employees, who move to another vacation scheduling group, will be allowed to use their originally selected vacation period in their new vacation scheduling group. When an employee moves to another vacation scheduling group, it will not have a negative impact on the existing vacation schedule for the current vacation year in that vacation scheduling group.

(j) Employees, who are temporarily reassigned to another

vacation scheduling group, will continue, for the period of the temporary reassignment to select vacation from within their normal vacation scheduling group.

(k) Employees will have access to the current vacation schedule for their vacation scheduling group. The posted vacation schedule will be updated promptly if changes occur.

(l) The employee's pay for the vacation period will be paid to the employee on the payday immediately preceding the vacation period, if requested by the employee at least ten (10) days in advance of the payday.

(m) Employees, who are granted a leave of absence, will be allowed to reschedule their affected vacation at a time mutually acceptable to the employee and the immediate supervisor. Vacation that is rescheduled by employees who are going on a Maternity Leave of Absence will not be counted toward the allotment under Article 26.06 e).

(n) Vacations will be completed in the vacation year, except in circumstances where the employee is absent from the job and is unable to do so. In such circumstances, unused vacation and/or unused floater holidays will be rescheduled at a time mutually acceptable between the employee and the supervisor.

26.07 Subject to Article 26.06 d), when a paid holiday falls within an employee's selected vacation period, an alternate day of vacation will be granted for each such paid holiday.

26.08 Members of the Council Bargaining Committee will be allowed to reschedule their vacation periods to a time following the completion of negotiations or during a break in negotiations. If necessary, to ensure that the employee's vacation is rescheduled at a time satisfactory to the employee, the Company will exceed the allotment under Article 26.06 e) and 26.06 l) will not apply.

26.09 Employees who become sick, meet with an accident, or are confined by quarantine regulations, for a period of one (1) week or more while on vacation, may reschedule the vacation days lost in any available period in the current year vacation schedule. Employees, who are called to jury or witness duty or become bereaved, while on vacation, may reschedule the vacation days lost in any available period in the current year vacation schedule. The Company may require reasonable documentation to verify the reason for the loss of vacation.

26.10 Provided it does not interfere with the scheduled vacation of another employee, an employee will be permitted during the vacation year to reschedule their vacation to a time mutually agreeable to the employee and the Company. Employees requesting such a change must provide reasonable notice to the Company prior to either the start of the originally scheduled vacation or the revised scheduled vacation, whichever occurs first.

26.11 An employee on vacation will not be recalled to duty during the vacation period except in extreme circumstances. Recall from vacation will require Director or Vice-President approval. Should an employee be recalled, they will be credited with their lost vacation plus an additional one-half (1/2) day of paid vacation for each day of lost vacation. The employee's vacation will be rescheduled later in the vacation year at a time mutually agreeable to the employee and the Company. If necessary, the Company will exceed the allotment under Article 26.06 e) in order to ensure that the employee's lost vacation is rescheduled at a time satisfactory to the employee.

26.12 Employees who resign, are dismissed, die, retire, or are laid off will be paid for any unused vacation entitlement on the following basis:

(a) Zero (0) to one (1) year of service: One (1) days' pay per month of service

(b) One (1) or more years of service: Two percent (2%) of their annual salary for each week of entitlement

(c) Except in the case of employees who retire or die, if the amount of vacation already taken in that year is greater than the employee's vacation entitlement based on time worked, the employee will be required to "pay back" excess vacation owed. This will be affected by means of a deduction from the final pay cheque.

26.13 Before an employee is placed on pension, the employee may receive some or all of the outstanding vacation entitlement. Such vacation taken prior to retirement is to be classed as service for all purposes including pension. Retiring employees may, as an option, take all or part of their vacation in the form of a lump sum payment. If an employee chooses the lump sum option, the equivalent vacation time does not form part of the pensionable service.

Employees whose standard hours of work are seventy-five (75) hours in a scheduling period, will normally work ten (10) scheduled tours of seven and one-half (7.5) hours. Employees will not normally be scheduled to work more than five (5) consecutive tours.

(d) Tours can be scheduled for a maximum of ten (10) hours with mutual agreement between the employee and their direct supervisor.

(e) Longer tours, to a maximum of twelve (12) hours per tour, may be scheduled with the mutual agreement of the employee(s), their direct supervisor, Labour Relations and the Council. Such special arrangements must be committed to in writing and signed by the parties prior to implementing. These arrangements can be cancelled by any party with eight (8) weeks notice.

(f) Regular Full Time Employees will receive at least one (1) unpaid scheduled day off (SDO) in each compressed work schedule. A compressed work schedule will consist of a maximum of nine (9) scheduled tours, totaling either seventy-five (75) or eighty (80) hours. Tours in a compressed work schedule may exceed the lengths specified in 27.02 c), but will not exceed ten (10) hours in length unless mutually agreed otherwise in accordance with 27.02 e) above. The SDO(s) will be

unpaid, will be scheduled as part of the employee's work schedule, and based on business requirements, may be scheduled to occur on any day of that scheduling period. During the life of this Agreement, regular Full Time Employees will be entitled to a minimum of six (6) SDOs, one (1) for every four (4) two (2) week scheduling period.

(g) An employee may elect not to participate in a compressed work schedule. Such employees must provide at least eight (8) weeks notice, in writing, to their supervisor.

(h) There will be no split shifts.

(j) The hours scheduled outside the period of 7:00 a.m. (07:00) to 6:00 p.m. (18:00) Monday to Friday will be scheduled by rotation and wherever practicable, on an equitable basis within the scheduling group.

(k) Employees scheduled to work outside their normal Reporting Centre for a period of two (2) weeks or greater, and where a minimum of five (5) overnight accommodations are required, may establish the basic hours of work in a Scheduling Period, on an eight (8) consecutive day basis up to a maximum of ten (10) hours per day, if it is mutually agreed by the employee and the supervisor. All scheduled tours shall commence on the first Monday of the Scheduling Period and end on the following Monday, unless the employee agrees to begin and end on another day in the Scheduling Period. All other articles of the Collective Agreement shall apply including, but not limited to, Article 24 - Differentials and Premiums. Such requests will not be unreasonably requested or denied.

Work Schedules

27.03 Work schedules for all employees will be posted either through electronic or manual means by 3:00 p.m. (15:00) AST Friday, to provide at least four (4) weeks notice. The employee is responsible to obtain their own schedule. The schedule will define the start and end time of each tour. When an employee is required to work three (3) or more tours that have different start times in the calendar week, the employee will be paid on an overtime basis for the third different tour and any different tour thereafter, that week. A tour may be scheduled on any day of the week.

27.04 The Company may change the scheduled tour(s) for an employee without penalty up to one hundred sixty-eight (168) hours prior to the beginning of the tour to be worked. If the company fails to provide the one hundred sixty-eight (168) hours notice, the employee will be paid on an overtime basis for the hours worked on the first tour following the change. If the change is made at the employee's request, no penalties or Overtime will be incurred. Overtime, continuous with either the beginning or end of the tour, does not constitute a change in the scheduled tour.

Meal Periods

27.05 The standard unpaid meal period will be one (1) hour and will be taken at or near the midpoint of the tour. The meal period may be adjusted to thirty (30) minutes by mutual agreement between the employee(s) and the Company.

Minimum Rest Period

27.07 (a) In the work schedule, employees will have a minimum of nine (9) continuous hours rest between the end of one (1) scheduled tour and the beginning of their next scheduled tour in any twenty-four (24) hour period.

(b) Any encroachment on the minimum rest period, referred to in 23.07 a) will result in the employee being compensated with an additional one-half (1/2) hour's pay at the employee's Basic Wage Rate for each hour or part hour of encroachment.

ARTICLE 28 – BENEFITS, SICKNESS ABSENCE & PLACEMENT OF RESTRICTED EMPLOYEES

28.01 (a) The Company agrees that employee group insurance, dental and medical benefits, summarized in Appendix P, form part of this Agreement and that it will not diminish the level of benefits provided under these plans during the life of this Agreement. However, the Company participates in a managed drug formulary arrangement with the medical benefits administrator, under which the list of covered drugs and medical supplies is subject to change. Should legislation, regulation or any similar circumstances beyond the Company's control, affect any of

these benefits, the Company will retain its right to modify them accordingly.

(b) The Company commits not to diminish the level of benefit provided by the Bell Aliant pension plans during the life of this Agreement.

(c) The Company agrees that all voluntary early retirement incentive programs and voluntary severance initiatives must be negotiated and agreed upon, in writing, by the Council before such programs or initiatives will be offered to employees in the bargaining unit.

Group Insurance, Dental and Medical Benefits

28.02 (a) The Company and the Council agree that, within nine (9) months from September 20th, 2004, a new program of group insurance, dental and medical benefits will be provided to all bargaining unit employees through the Bell Canada Flexconnect Benefits Program, as summarized in Appendix P of this Agreement. The Program is applicable to both Full Time and Part Time Employees. Temporary Employees are not eligible for Option 3 Medical, Options 3 and 4 Dental and Long Term Disability.

(b) Employees will continue to participate in their existing provincial plans with no change in benefit levels until the new program is implemented.

(c) The Company will contribute to the cost of these benefits programs in the form of flex credits. The Company agrees, for the life of this Agreement, to increase these flex credits as required to cover fifty percent (50%) of any cost increases associated with Option 2 Medical and Dental. Employees who choose any other option will receive the same increase in their flex credits.

(d) Employee cost for drug prescriptions, under the Bell Canada Flexconnect Benefits Program, will be capped at forty dollars (\$40.00) for Option 2 and twenty dollars (\$20.00) for Option 3 for each prescription, and an overall yearly cap of four hundred dollars (\$400.00) per family.

(e) The Company agrees to establish a committee with Council representation to review group insurance, dental and medical benefits, experience and costs annually. The Council will have four (4) representatives, to be determined by the Council, on the committee.

(f) The Company will incorporate into the Flexconnect program, the employee paid Group Assured Access plan (GAA). All employees must participate in the Group Assured Access plan (GAA). All premium costs will be borne by the employees, however, employees can use any unused excess Flex Credits to offset or pay for the costs of the GAA premiums.

Reporting Absence

28.03 To provide a high level of customer service, to which all employees contribute, it is important that employees observe regular attendance at work.

28.04 Employees who must be absent from work are required, whenever possible, to report all absences prior to the commencement of the scheduled tour of duty. The immediate supervisor will advise employees of the reporting process to be followed when the employee is absent.

28.05 The Company will allow time for specialist appointments and medical procedures that cannot be scheduled outside the normal working hours. The employee is expected to give reasonable notice to their supervisor.

Workers' Compensation Benefit

28.06 If an employee has had a workplace injury requiring absence from work, the Company and the employee are jointly responsible to apply for the Workers' Compensation Benefit.

28.07 Where an employee qualifies for Workers' Compensation, the Company will top up the benefit to the maximum extent allowed by law, provided that any such top up would not result in a claw back of the Workers' Compensation benefit. The total combined benefit received by the employee will not exceed one hundred percent (100%) of the net pay to which the employee would be entitled under the SDB schedule.

Where direct top up is not allowed by the applicable provincial legislation, the Company will establish and fund the necessary insurance or other programs permissible by law to provide an equivalent level of benefit as that paid under SDB. Should the legislation change in any province, in a way that alters the level of benefits to the employee, the Company and the Council agree to meet to negotiate changes to this article.

Sickness Absence

28.08 For absences less than eight (8) calendar days due to an illness

or injury, Regular Employees with more than three (3) months service will be paid at Basic Wage Rates for their scheduled tour(s) of duty during this period. In all cases, a doctor's certificate attesting that the employee was unable to work, must be produced when requested, in order to be eligible for pay. When a doctor's certificate is requested, the Company will allow up to fifteen (15) days from the date of the request to obtain the doctor's certificate. All employees who become ill on duty will be paid for time they were scheduled to work for that day.

28.09 Regular Employees, who are absent for eight (8) or more consecutive calendar days, must apply for Sickness Disability Benefits (SDB) by the tenth calendar day of absence. The application must include the appropriate medical documentation prepared by the employee's treating physician(s). The employee is responsible to obtain the necessary forms which are available on the corporate intranet or from the Bell Canada Disability Management Group. The Bell Canada Disability Management Group will review the original and any supplementary documentation in order to determine if the employee qualifies to receive SDB. The Disability Management Group may consult with the employee's treating physician(s) regarding the employee's illness or injury and the potential for rehabilitation and/or modified work arrangements.

28.10 Employees returning to work from a period during which they received Sickness Disability Benefits, and who are subsequently ill within the first thirty (30) calendar days of their return, must resume their previous SDB claim. Once the SDB has been exhausted, the employee will be entitled to apply for SDB for a different illness after they have been back at work for thirty (30) consecutive calendar days or for the same illness after they have been back at work for ninety (90) consecutive calendar days.

28.11 The Company reserves the right to require certification from a medical practitioner that an employee returning from WCB, SDB or LTD is medically fit to perform the duties of the job involved.

28.12 It is agreed that the rehabilitation of sick and injured employees is a priority. The Company and the Council will participate in programs that will enable early and safe return to work. Such programs may be in conjunction with the applicable Workers' Compensation Program, insurance carrier or other appropriate agencies. The rehabilitation plan or modified work arrangements will be based on the employee's functional capability, input from the employee's existing health care providers, and other health care professionals as deemed necessary by the Company.

28.13 Regular Employees who are approved for SDB will be paid as per the following table:

Net Credited Service	Weeks at Full Pay	Weeks at 2/3 Pay
less than 3 months	-	-
3 months (but less than 1 year)	1	16

28.14 The Company may bring legal action in the name of an employee against any person or organization, not covered by this Agreement, to recover SDB payments made to the employee.

28.15 SDB payments will be reduced by any other income the employee may receive from Canada Pension Plan, Employment Insurance or insurance carriers.

28.16 Upon expiration of the SDB benefit and prior to the commencement of approved Long Term Disability benefits (LTD), the employee will be required to use all unused vacation entitlement and banked time.

28.17 Employees have the option to continue their participation in group medical and dental benefits while receiving LTD, provided that they pay the employee portion of the premium. Basic Life and Accidental Death and Dismemberment (AD&D) Insurance coverage is continued with no premiums being paid by the employee.

28.18 Employees with insufficient Net Credited Service to receive sickness benefits, and employees who have exhausted their SDB

entitlement and have not been approved for LTD, may be granted a leave of absence without pay for a period not exceeding one (1) year. The employee will not accrue service or seniority during the period of leave beyond thirty (30) days. If the employee is able to return to work prior to the expiry of their leave, they will be entitled to apply for SDB for a different illness after they have been back at work for thirty (30) consecutive calendar days, or for the same illness after they have been back at work for ninety (90) consecutive calendar days.

28.19 Employees, suffering from illness or injury while at work in any location, will receive prompt and proper attention and accommodation.

Permanent Placement of Restricted Employees

28.20 The purpose of this article is to permanently place Regular Employees who are restricted from performing their normal role. Employees considered under this article must be certified by the Company doctor in consultation with the employee's physician to be permanently restricted from performing the core functions of their current Classification for medical reasons.

(a) No employee will be displaced by the placement of a restricted employee and under no circumstance is the Company obligated to create a job. In addition, no employee will be placed without Council consultation and approval. The Company agrees to advise the Council should there be a requirement to subsequently move the employee to another position.

(b) Employees, who qualify, may be placed in a vacant position without a job posting, provided they have the ability to perform the functions of the job. If training is required, it will not normally exceed six (6) months unless mutually agreed to by the Company and the Council. Employees placed through this process will have up to a six (6) month trial period prior to permanent placement.

(c) Employees, who are placed in a lower paid position through this process, will maintain their current Basic Wage Rate from the date of assignment to the lower paid position until the rate for the new position exceeds their former rate. Employees, who are placed in a higher paid position through this process, will move immediately to the step on the new wage scale which has the same rate as their present Basic Wage Rate or, if there is no identical rate on the scale, to the closest higher rate to their present Basic Wage Rate. Wage progression for employees who move to a higher paid position will not be interrupted.

(d) Employees who refuse relocation within the period they are entitled to sickness or Long Term Disability benefits may do so without losing:

(i) benefits entitlement

(ii) future opportunities under this article

(e) Where relocation is required, employees will be compensated in accordance with Article 34.

(f) The Company and the Council will make best efforts to place a restricted employee, but cannot guarantee placement.

(g) Placement of an employee under this article will be detailed in writing, and signed by the Company, Council and the employee, before the employee is placed.

Post-Employment Benefits

28.21 The Company agrees that it will not diminish the current level of post-employment benefits available to employees who leave their employment before December 31st, 2014.

ARTICLE 29 - MISCELLANEOUS WORKING CONDITIONS

Picket Lines

29.01 Employees are expected to cross a picket line when it is safe to do so. Employees who encounter difficulties in attempting to cross picket lines either to report to work or serve a customer should contact their supervisor immediately. The supervisor will investigate the employee's concerns and arrange for safe access to and from the work site. Where safe access to and from the site can be provided, the employees are expected to perform the required work.

Service Monitoring

29.02 The parties agree that the Company has the right to monitor the quality of service that employees provide to customers. The objective of monitoring the quality of service is to ensure effective coaching and development of employees.

For the life of this Agreement, the Company agrees to certain restrictions on remote service monitoring as per the Letter of Agreement on Contact Centre Service Monitoring.

The Company commits to provide feedback to employees after the monitoring is completed and to provide appropriate coaching and/or training to address any skill and knowledge gaps identified. Where monitoring results impact performance review ratings, it will only be in the circumstances permitted by the Letter of Agreement, and only where there is a consistent trend over the review period.

No employee will be disciplined as a result of service monitoring except for gross customer abuse, fraud, violation of privacy or consistent failure to meet minimum performance expectations.

Surveillance

29.03 The installation and use of surveillance cameras and related equipment to monitor employee work areas during working hours will be in strict accordance with the privacy legislation and other applicable laws.

Night Transportation

29.04 When requested by an employee, the Company will provide a taxi voucher, for transportation purposes, to a maximum of fifteen dollars (\$15.00) when the employee finishes work between 10:00 p.m. (22:00) and 7:00 a.m. (07:00).

Tools

29.05 The Company will supply all tools, which in its judgment are required for the job. Employees will take reasonable measures to ensure the safeguarding and proper use of tools assigned to them as well as informing the Company when tools become worn.

Clothing

29.06 The Company will supply or make available such special clothing, which it deems necessary to be worn on the job for reasons of safety or health or as a protection for undue wear or damage.

If the Company deems it necessary for employees to wear special clothing for reasons of appearance, the Company will pay the full cost of an annual allotment of such special clothing. If replacement items are required during the year, the employee will pay fifty percent (50%) of the cost of the replacement clothing. The employee may pay their portion either in full or in installments through payroll deduction.

Company provided clothing can be damaged or torn through the normal course of doing work for the Company. Requests by employees to replace, at the Company's expense, clothing that has been damaged or

orn through the normal course of performing work for the Company, will be neither unreasonably requested nor denied.

Working Extra Time

29.07 A Regular Employee may request to work extra time beyond a regular scheduled tour to make up for short periods of lost time or for time anticipated to be taken off in the near future. Working extra time requires their supervisor's approval. Such requests will not be unreasonably made by the employee or unreasonably denied by the supervisor. If approved, the extra time worked will be scheduled by the supervisor. The extra time worked will be on the basis of one (1) hour worked for each hour to be taken off.

If the employee has banked time, as per Article 23.09, consideration should first be given to using banked time for the required time off. However, the employee is not obligated to use banked time if the extra time required is not more than a full tour of duty, and they have twenty (20) or fewer hours of Overtime in their bank.

Classification Flexibility

29.08 (a) There will be times during any scheduled tour when an employee of one (1) Classification would be required to perform duties of another Classification to restore service, backfill for an employee who is away from the workplace, to prevent extensive travel by an employee who would normally do that work, or to deal with situations where the loss of a customer's business is imminent.

(b) In addition, Classification flexibility may be used where there is not enough work in the day for the employee in their Classification; but the additional work will not be assigned at the beginning of the day, only at the point in the day when it becomes clear that the employee will not have enough work in their Classification. Classification flexibility will not be used as a regular means of dealing with normal workload.

(c) In addition, where a BSR has worked full time in the CSR Classification within the previous three (3) years that BSR may be assigned to perform CSR work during a scheduled tour when necessary to meet customer service requirements. For greater certainty, this applies only to BSRs who moved into the BSR Classification after January 1st, 2010.

(d) Employees who perform duties of a higher paid Classification will receive the higher wage rate for all time worked in that

Classification. Employees who perform duties of a lower paid Classification will continue to be paid at their current rate of pay. For greater certainty, this Article applies equally to Pool CSTs and CSTs on wage scale 13A.

(e) Safety requirements, as outlined in Article 10 of this Agreement, will apply to all work performed under Classification flexibility.

On the Job Accident Insurance

29.09 The Company agrees to provide employees while traveling on Company instruction by helicopter, small fixed wing aircraft or boat or while working offshore, with additional accidental death and dismemberment insurance of seven hundred thousand dollars (\$700,000) at the Company's expense.

Employee Discounts

29.10 The Company agrees that, effective on the signing date of this Agreement, all Employees will be eligible to participate in the Bell Canada Employee discount plan. This will provide a discount on eligible products and services available under the program as may be amended by the Company from time to time. The Company agrees that products or services will be removed from the list of discounted services only if they are discontinued from Bell Canada's product and service offerings to external customers. The Company further agrees that the level of discount will not be reduced unless CCRA legislation changes regarding taxable benefits for such discounts.

Employee Stock Plan

29.11 The Company and Council agree that effective on the ratification of this agreement or the completion of the privatization of Bell Aliant, whichever is later, the employees will cease to participate in the Bell Aliant Employee Stock Savings Plan and Regular Employees, with at least six (6) months of Net Credited Service, may participate in the Bell Canada Employee Stock Plan (BCE ESP) as defined in the BCE ESP plan text, provided that they are eligible under the terms of the BCE ESP plan text. The Company agrees that, during the life of this Agreement, it will not diminish the level of benefits provided to employees under the BCE ESP plan text in effect on the date of signing of this Agreement. Should legislation, regulation or circumstances beyond the Company's control affect this Plan, the Company will retain the right to modify it accordingly.

Unifor Social Justice Fund (formerly Unifor Humanity Fund)

29.12 Upon the request of the employee, the Company will deduct from

the pay of that employee a voluntary employee contribution to the Unifor Social Justice Fund, which will be forwarded to Unifor on a bi-weekly basis. The Company and Council will discuss and agree on implementation of employee contributions to the Unifor Social Justice Fund.

Unifor Paid Education Leave

29.13 The Company agrees to pay annually into a special fund at a rate of two cents (\$0.02) per hour for regular hours in the calendar year to provide for a Unifor Paid Education Leave (PEL) program. Effective January 1st, 2020 the rate shall be increased to three (\$0.03) cents per hour.

Candidates for PEL shall be selected by the Union to attend. The Union will provide written confirmation to the Company of such selection. Employees on PEL will continue to accrue seniority and service.

Unifor Women's Advocate Program

29.14 The Company and the Council agree to continue to support the Unifor Women's Advocate Program. The Company and the Council agree that there will be one (1) Women's Advocate for each local during the term of this agreement.

The time required for the Women's advocate to carry out their role will be paid by the company.

The Company and Council recognize that employees may need support to discuss important matters such as violence/abuse at home or workplace harassment. Employees may also need to be informed about specialized resources in the community such as counseling services or women's shelters, to assist them in dealing with these and other issues.

The Company will ensure that Women's advocates will be afforded the time off required for training which will be paid by the Union.

ARTICLE 30 – PART TIME EMPLOYEES

(b) The Company cannot change the employment status of a Full Time Employee to Part Time without the agreement of the employee and the Council.

Hours of Work

30.04 (a) Part Time Employees will be scheduled to work a minimum of twenty-two and one-half (22.5) hours per scheduling week. Additional hours will be scheduled, where practicable, equitably among the employees in a Classification within a Supervisor Group/Queue with consideration for employee preferences. If additional hours become available in a scheduling week, such hours will be offered to available employees on the basis of seniority as follows:

- i. Additional hours that become available prior to a scheduling week will be distributed to Part Time Employees on the basis of seniority as outlined in this section;
- ii. Additional hours that become available within a scheduling week, but not within the current scheduling day, will be distributed to Part Time Employees on the basis of seniority as outlined in this section;

A Part Time Employee, whose complete tour is more than five (5) hours, will be entitled to the same rest periods and meal breaks as an employee who works a full tour.

Paid Holidays

30.06 A Part Time Employee who is not required to work on a paid holiday will receive the greater of one-tenth (1/10th) of their regular earnings for the pay period immediately preceding the holiday or one-twentieth (1/20th) of their regular earnings for the two (2) pay periods immediately preceding the holiday.

Vacation Pay

30.07 Regular Part Time Employees are entitled to paid vacations in the same manner as Full Time Employees in accordance with Article 26. The weekly rate will be prorated based on the weekly average of the regular earnings during the twenty-six (26) preceding pay periods. If an employee has been employed by the Company for less than one (1)

year, the weekly compensation rate will be prorated based on an average of the weekly regular earnings during the period of employment.

Sickness Disability Benefit

30.08 The weekly compensation rate for a regular Part Time Employee will be prorated based on the weekly average of the regular earnings during the twenty-six (26) preceding pay periods. If an employee has been employed by the Company for less than one (1) year, the weekly compensation rate will be prorated based on an average of the weekly regular earnings during the period of employment.

Child Care

30.09 Part Time Employees are entitled to Child Care Leave in accordance with Article 18 of this Agreement. Employment Insurance Supplementary Benefits, under clause 18.02, for regular Part Time Employees will be prorated based on the weekly average of the regular earnings during the twenty-six (26) preceding pay periods. If an employee has been employed by the Company for less than one (1) year, the weekly compensation rate will be prorated based on an average of the weekly regular earnings during the period of employment.

Seniority

30.10 Seniority for all regular Part Time Employees will accrue on the basis of actual time worked in the bargaining unit as per Article 11.

Overtime

30.11 Part Time Employees will be entitled to receive Overtime after they have worked more than the Standard Working Day for their Classification. When a Part Time Employee has worked or been scheduled to work ten (10) days in a scheduling period or nine (9) days in a compressed scheduling period, and is required to work on additional days, they will be paid overtime rates for the additional days.

General

30.12 All other provisions of the Collective Agreement apply to Part Time Employees except where they conflict with the provisions of this Article or where it is specifically stated that the provision applies to Full Time Employees.

ARTICLE 30A – CST RESOURCE POOL (“POOL”)

Intention

30A.01 The parties agree that there will be a CST Resource Pool (“Pool”) with working conditions which differ from those of Regular and Part Time Employees, as set out in this Article.

Composition of the CST Resource Pool

30A.02 The size of the Pool may fluctuate, but at no time will the Pool have fewer than twenty (20) CSTs who are scheduled for the minimum hours set out in 30A.16, unless there are no contractors doing the work of CSTs anywhere in the Ten Cities.

30A.03 The maximum size of the Pool will be fifty percent (50%) of the combined number of CSTs with Reporting Centres in the Ten Cities.

30A.04 The Pool may consist of both new hires (Pool CST I), and existing employees (Pool CST II).

30A.05 “Pool CST I”: New hires (meaning employees hired into the Pool after October 1st, 2010) will have rights under this Article, and only under this Article. The parties recognize that Pool CST Is will not have rights under the Collective Agreement other than what is specifically provided in this Article. A Pool CST I is not a “Regular Employee” within the meaning of the Collective Agreement.

30A.06 “Pool CST II”: Existing employees (meaning employees as of October 1st, 2010) who enter the Pool will become Regular Part Time Employees for all purposes under the Collective Agreement, unless specifically provided otherwise in this Article.

30A.07 Pool CSTs are part of the bargaining unit. Article 6 (Union Dues), Article 7 (Council Representation & Time Allowance), and Article 8 (Bargaining Procedures) apply with respect to Pool CSTs.

Employees Entering the CST Resource Pool

30A.08 Pool CST II(s) may enter the Pool in accordance with the job posting process. However, if a relocation is required in order to accept the position, the Pool CST II will not be entitled to relocation costs.

30A.09 Pool CST I(s) hired into the Pool must have met the SELQs for a

CST.

30A.10 Any employee who has retired from the Company during the previous five (5) years will not be eligible to be hired into the Pool.

30A.11 When there is a need for an employee in the Pool, the position will be filled on a rotational basis as follows:

(a) The first position will be filled by an existing employee as a Pool CST II. New hires will only be considered if there is no existing employee who can fill the position.

(b) The second position will be filled by a new hire as a Pool CST I. Existing employees will only be considered if the Company is unable to find a new hire.

(c) This rotation (existing employee, new hire) will be maintained even if in any given case the position ends up being otherwise filled. That is, if the first position is filled by a new hire because there is no existing employee who can fill the position, the second position will still be filled by a new hire, and the next position by an existing employee, and so on.

Wages for the CST Resource Pool

30A.12 Pool CST II(s) will have the following wage treatment:

(a) They will be grandfathered onto the Wage Scale 13.

(b) They will receive progressional increases in accordance with the Collective Agreement.

(c) If Wage Scale 13 is higher or lower than their existing wage when they enter the Pool, their wages will be adjusted in accordance with Articles 13.06 and 13.07 of the Collective Agreement.

30A.13 Pool CST I(s) will have the following wage treatment:

(a) They will be placed on Wage Scale 13a.

(b) They will progress through the steps of the wage scale every six (6) months.

Work of the CST Resource Pool

30A.14 Pool employees may be assigned by the Company to perform

CST work in any Reporting Centre, and will not be temporarily reassigned to other Classifications or to management without the consent of the Council.

30A.15 Pool employees will have a Reporting Centre within the meaning of the Collective Agreement. Article 19 applies with respect to any travel and expenses.

Hours & Other Working Conditions for the CST Resource Pool

30A.16 Pool CST II(s) will be scheduled for a minimum of twenty-two and one-half (22.5) hours per week. Pool CST I(s), when scheduled, will be scheduled for a minimum of twenty-two and one-half (22.5) hours per scheduling period. However, no Pool CST I will have a guarantee that they will be scheduled for those minimum hours for any given scheduling period. For greater certainty, Article 30.04 b) does not apply to Pool CSTs.

30A.17 Scheduling of Pool employees will be done separately for each of the Ten Cities. Scheduling will be according to a two (2) week scheduling period. Articles 27.02 a), b), d), and h) will apply with respect to the scheduling of Pool employees. Hours will be scheduled fairly and equitably among the members of the Pool, with every effort made to respect the following principles:

(a) All Pool CST II(s) must be scheduled to their minimum guaranteed twenty-two and one-half (22.5) hours per week.

(b) Where possible, Pool CST I(s) who are scheduled will be scheduled for more than the minimum hours in Article 30A.16.

(c) Seniority and length of service will be taken into account in the assignment of hours.

(d) Pool employees will be scheduled a maximum of eighty (80) hours in a scheduling period.

30A.18 Pool employees will be entitled to receive Overtime after they have worked more than the Standard Working Day for the CST Classification, or more than their actual scheduled hours, whichever is greater. When a Pool employee has worked or been scheduled to work ten (10) days in a scheduling period, and is required to work on additional days, they will be paid overtime rates for the additional days. However, if overtime hours are available and all CSTs in the relevant city have worked at least full time hours, Regular CSTs will have preference over

Pool CSTs for access to Overtime.

30A.19 Pool CSTs are entitled to the differentials and premiums in Article 24 and to the call-out provisions in Article 23.08.

30A.20 The schedule for Pool employees will be posted at least seven (7) days in advance. Pool employees may be required to work additional hours beyond their scheduled hours. If the change is made less than seven (7) days prior to the day the hours are to be worked, this will be deemed a change of scheduled tour and the employee will be compensated as per Article 27.04.

30A.21 A Pool employee who works a full basic tour on any day is entitled to the same paid rest periods as provided to Full Time Employees in accordance with Article 27. A Pool employee, whose complete tour is four (4) hours without a meal break, will receive a fifteen (15) minute paid rest period scheduled as close to the midpoint of the tour as possible. A Pool employee, whose complete tour is more than five (5) hours, will be entitled to the same rest periods and meal breaks as an employee who works a full tour.

30A.22 For Pool employees, holiday pay for a statutory holiday provided by the Canada Labour Code means the greater of one-tenth (1/10th) of their regular earnings for the pay period immediately preceding the holiday or one-twentieth (1/20th) of their regular earnings for the two (2) pay periods immediately preceding the holiday. A Pool employee who is required to work on a statutory holiday provided by the Canada Labour Code will be paid holiday pay as provided above, and will be paid on a time-and-a-half basis for hours actually worked.

30A.23 Pool CST II(s) will accrue seniority on the basis set out for Part Time Employees. Pool CST I(s) will not acquire seniority while in the Pool, but on posting into a non-Pool position, the employee's time in the Pool will be bridged for the purposes of seniority, in accordance with the bridging rules in Article 11.10 a). For greater certainty, the employee's time in the Pool refers to actual hours worked as a Pool CST I.

Vacation

30A.24 (a) Subject to 30A.24 b), all Pool CSTs will be entitled to vacation as per Article 26. However, for a period beginning June 1st and ending September 30th, the requirement to allow fifteen percent (15%) to take vacation is waived with respect to Pool CSTs.

(b) During the first twelve (12) months of their employment,

Pool CST I(s) will be paid in lieu of vacation on a bi-weekly basis at four percent (4%) of their earnings or at the rate specified in the Canada Labour Code, whichever is greater.

Sickness Disability Benefit

30A.25 Pool employees will be entitled to SDB. The weekly compensation rate for a Pool employee will be prorated based on the weekly average of the regular earnings during the twenty-six (26) preceding pay periods. If an employee has been employed by the Company for less than one (1) year, the weekly compensation rate will be prorated based on an average of the weekly regular earnings during the period of employment.

30A.26 Pool CST I(s) are entitled to any leaves provided under the Canada Labour Code or otherwise by law. Any other leaves must be agreed to by the supervisor in their sole discretion.

30A.27 Once an employee has worked two thousand (2000) hours as a Pool CST I, they will qualify for the following benefits and Collective Agreement provisions on the same basis as Regular Employees:

- Health, medical and dental benefits (with Annual Base Benefit Rate based on 40 hours per week)
- Defined contribution pension plan
- Group RRSP (based on the plan text)
- Bereavement leave as per Article 18.08
- Incidental absence as per Article 28.08
- Employee savings plan as per Article 29.11
- Home dispatch as per Article 35
- Overtime banking as per Article 23.09

Pool CST I's are eligible to participate in the Employee Discount Program as per Article 29.10.

30A.28 The Company has the discretion to terminate a Pool CST I on the basis that they are not suitable for work. The Pool CST I may grieve that the decision is arbitrary, discriminatory, or in bad faith.

30A.29 Where a Pool CST is subject to discipline, Articles 14.02-14.04 apply.

30A.30 Where a Pool CST grieves any issue that arises from this Article, they will have access to the grievance and arbitration procedure under

Articles 15 & 16.

30A.31 Article 9 (Discrimination), Article 10 (Health & Safety), Article 29 (Miscellaneous Working Conditions), and Article 32 (Training) apply to Pool CSTs.

Employees Posting Out of the CST Resource Pool

30A.32 Once a Pool employee has worked two thousand (2000) hours in the Pool, they will be eligible to apply to other regular posted positions (including regular CST positions).

30A.33 Regular CST positions will be posted according to the job posting process, with the following modification:

(a) Once there are Pool employees with two thousand (2000) hours worked, CST postings will be done on a rotational basis.

(b) Every third regular CST posting will be guaranteed to a Pool employee (provided that there is a Pool employee who has met the two thousand (2000) hour threshold). Such postings will clearly identify that preference will be given to Pool employees.

(c) This rotation (regular posting, regular posting, guaranteed position for Pool employee) will be maintained even if in any given case the position ends up being otherwise filled. That is, if the third position is filled by a regular posting because there is no Pool employee who can fill the position, the next posting will still be a regular posting, and so on.

(d) For greater certainty, a Pool employee may still apply on a posting which is not guaranteed for a Pool employee, and may be awarded the posting if they are otherwise entitled to it under the regular job posting process. Pool CSTs will have the same consideration as Temporary Employees for the purposes of Article 13.03.

30A.34 Where a Pool employee on Wage Scale 13a posts into a CST position, other than as a Community or Combination Technician, they will continue on Wage Scale 13a, with progressional increases every six (6) months if they have not reached the top of the wage scale.

30A.35 Where a Pool employee on Wage Scale 13a posts into a role other than a CST role, or posts to a Community or Combination Technician role, they will be placed on the appropriate wage scale in accordance with the Collective Agreement.

30A.36 Where a Pool employee posts into a role which requires a relocation, that location will be considered their first Reporting Centre, and they will only be entitled to relocation costs up to the maximum stated in Article 34.02 of the Collective Agreement.

30A.37 Where a Pool CST I with more than one thousand and forty (1040) hours in the Pool posts into a regular position, they will be deemed to have passed the Probationary Period in the new position. If the Pool employee has not reached one thousand and forty (1040) hours, the Probationary Period in the new position will be pro-rated to account for the hours the employee has worked in the Pool.

30A.38 For greater certainty, Pool CSTs are entitled to all rights under the Canada Labour Code.

30A.39 Where the Company has, in any consecutive fifty-two (52) week period, assigned to a Pool CST or Pool CSTs cumulatively over fifteen hundred (1500) hours of work in a given Reporting Centre outside the Ten Cities, the Company will post a regular full time CST position in that Reporting Centre within two (2) months of the fifteen hundred (1500) cumulative hours having been reached. The calculation of fifteen hundred (1500) hours will exclude exceptional circumstances, such as fibre builds, special projects, emergencies, storms, etc.

For greater certainty, hours that are counted toward the fifteen hundred (1500) threshold for a posting have no application for the fifteen hundred (1500) threshold for a subsequent posting.

Where the successful applicant for such a posting is a Regular CST, the decision to backfill for that successful applicant will be based on business needs and in the event that the position is backfilled, it will be posted as a Regular CST position.

30A.40 The Company and the Union will meet to discuss any adjustments to Article 30A that may be necessary in the event that the Article does not result in the desired outcome to create regular employment opportunities for Pool CSTs.

ARTICLE 31 – TEMPORARY EMPLOYEES & STUDENT TEMPORARY EMPLOYEES

31.01 The period of employment for a Temporary Employee will not exceed six (6) months in any consecutive fifty-two (52) week period, except in cases of backfill for Child Care Leave or Sickness Absence, or where otherwise mutually agreed by the Council and the Company. The period of employment for a Student Temporary Employee will not exceed nine hundred and seventy-five (975) hours in a calendar year and will not extend beyond the duration of their education program.

The Company agrees that the total number of Student Temporary Employees in the bargaining unit will not exceed four percent (4%) of the total number of employees in the bargaining unit, during the period between September 7th and April 30th.

For greater certainty, students do not have to be scheduled to work any hours during a scheduling week. However, for any week they are scheduled to work, they must be scheduled a minimum of twenty-two and one-half (22.5) hours.

31.02 The Company will notify the Council and appropriate Member Local, in writing, of the name, hiring date, expected termination date, location and the Classification for which each Temporary Employee has been hired.

31.03 Temporary Employees will be assigned a Reporting Centre when hired. A Temporary Employee who is temporarily assigned to another Reporting Centre is eligible for the living and transportation allowance as described in Article 19 of this Agreement.

31.04 Temporary Employees will be entitled to all differentials and premiums as provided under Article 24 of this Agreement.

31.05 Temporary Employees will be entitled to paid holidays and holiday pay as per Article 25 of this Agreement, with the exception that entitlement to Floating Holiday will be as follows:

(a) Temporary Employees who work at least three (3) continuous months will be entitled to receive holiday pay equal to the basic wages for one (1) Standard Working Day in lieu of the Floating Holiday(s). The employee is entitled to compensation in lieu of only one

(1) Floating Holiday in each calendar year. Temporary Employees, who are Part Time Employees, will receive a prorated amount in accordance with Article 30.06.

(b) Temporary Employees, working in Newfoundland and Labrador who are granted July 12th as a paid holiday, will not be entitled to the compensation in 31.05 a).

31.06 Temporary Employees will be paid in lieu of vacation on a bi-weekly basis at four percent (4%) of their earnings or at the rate specified in the Canada Labour Code, whichever is greater.

31.07 All provisions of the Collective Agreement apply to Temporary Employees, except where they conflict with the provisions of this article or where it is specifically stated that the provision applies only to Regular Employees.

31.08 The provisions of Article 12 do not apply to Temporary Employees. However, notice of termination will be given to Temporary Employees at least two (2) weeks prior to termination. Temporary Employees, who are terminated, will be entitled to severance pay in accordance with the Canada Labour Code.

ARTICLE 32 – TRAINING

32.01 The Company agrees that it will provide training as required and in a timely manner, during the employee's scheduled tour of duty, to enable employees to be proficient in performing their job duties. Employees will be paid at their Basic Wage Rate for time spent in a Company required training program.

32.02 The Company encourages employees to continue their learning and development beyond the training that is provided for them to perform their current job. Regular Employees with at least six (6) months service are eligible to receive financial assistance for approved out-of-hours courses through the Bell Aliant Sponsored Learning Policy. Information about the Policy will be made available to employees. The Policy is subject to change at the Company's discretion. However, changes to the Policy will be discussed with the Council prior to implementation.

(d) A minimum of fourteen (14) days written notice of the transfer will be given to the employee and the Council.

(e) Relocation expense reimbursement does not apply. However, the determination of eligibility for relocation expense reimbursement on any future transfer will be based on the distance from the employee's original Reporting Centre.

33.03 The Company has the right to permanently transfer an employee within their Classification to another Reporting Centre greater than sixty

(60) kilometers from their existing Reporting Centre without posting a vacancy, subject to the following conditions:

(a) If the proposed transfer is within the province, sixty (60) days written notice will be given to the employee and the Council in advance of the transfer.

No request will be unreasonably made by the Company or denied by the Council.

(b) Temporary reassignments will be for a minimum of one (1) tour.

(c) Where the temporary reassignment is expected to exceed thirty (30) days, employees will be selected on the basis of seniority within the Classification and workgroup. Unless more senior employees accept the temporary reassignment, the most junior employee who has the necessary ability and Standard Entry Level Qualifications will be selected.

(d) All provisions of Article 19 of this Agreement will apply to employees who are temporarily reassigned outside their normal Reporting Centre.

(e) No employee will be temporarily reassigned to a Classification if there is an employee in the Reporting Area with recall rights to that Classification, who can perform the work.

(f) The provisions of this Article do not apply to situations where employees travel to other Reporting Centres as part of the normal requirements of their job. However, the provisions of Article 19 apply to these employees.

(g) The Company will notify the Local Member union of every temporary reassignment, including the anticipated duration of the assignment, and if the assignment ends before the anticipated date.

ARTICLE 34 – RELOCATION EXPENSES

34.01 Employees, who are eligible to receive relocation expenses under the terms of this Agreement, will be reimbursed in accordance with the Bell Aliant Relocation Policy. Information on the Bell Aliant Relocation Policy will be made available to employees. The Company agrees not to diminish the level of the benefit provided by this policy during the life of this agreement.

34.02 Employees, who are entitled to receive relocation expenses under the terms of Articles 12.12 a), 13, 28.20, or 33 are eligible for all applicable components of the Bell Aliant Relocation Policy.

Employees, who are entitled to receive relocation expenses under the terms of Article 12.12 b) or 12.15 c), are eligible only for Part 1 of the Bell Aliant Relocation Policy (Reimbursement of Expenses Associated with an Employee Relocation) to a maximum of five thousand dollars (\$5000.00).

34.03 Administrative fees associated with the relocation administrator are covered by Bell Canada and are not included in the five thousand dollar (\$5000.00) maximum referred to in Article 34.02.

34.04 In order to qualify for relocation expenses, the following conditions must be met:

(a) The employee must physically relocate.

(b) The employee's new Reporting Centre must be greater than sixty (60) kilometers from their current Reporting Centre and the change will result in an increase in the travel distance between the employee's new Reporting Centre and their current place of residence.

ARTICLE 35 - USE OF COMPANY VEHICLES

35.01 Employees may be authorized, by agreement, to regularly take a Company vehicle home at the end of a tour, subject to the following conditions:

(b) Authorization, for an employee to take a Company vehicle home on a regular basis, must be in the form of a standard written agreement between the employee and their manager. This standard agreement will be available on the Corporate intranet site. A copy of the signed agreement will be forwarded to the appropriate Member Local.

(c) The vehicle will be used for Company purposes only. The Company accepts full responsibility for damages to the vehicle and equipment provided normal safeguards have been taken and the vehicle and equipment is used for Company purposes only.

(d) Either the employee or the manager may terminate the agreement on thirty (30) days written notice. The written notice will include the reason(s) for termination of the agreement. No agreement will be terminated by the Company except for legitimate business reasons.

(e) Employees who are authorized to take a Company vehicle home will be expected to pick up their daily work load in order that they

may depart for their first assignment of the day no later than the scheduled beginning of their tour. Employees will not finish work to return home and arrive there any sooner than they would if they were departing from their Reporting Centre.

(f) Employees are expected to leave their vehicles at their assigned Reporting Centre as required by their manager for days on which the employee is not scheduled to work, such as days of rest, vacations and holidays. The travel arrangements to meet this requirement will be the responsibility of the employee.

(g) The Company will ensure that employees are informed of any tax implications which may result before employees sign the standard agreement referred to under this Article. These tax implications will be summarized in the standard written agreement.

APPENDIX F – Employment Equity

Letter of Agreement

The Company and the Council continue to recognize the need to achieve equality in the workplace so that no person will be denied employment opportunities or benefits for reasons unrelated to ability, and both parties agree that equal opportunity in employment means more than treating persons in the same way, but also requires special measures and the accommodation of differences.

To this end, the parties agree to include four (4) additional members representing designated groups as defined by the Employment Equity Act once a year at the Atlantic Joint Consultative meeting to discuss matters pertaining to Employment Equity and to provide the Council with an opportunity to present its views concerning:

(a) any assistance the Council could provide to the Company in order to facilitate the implementation of employment equity in the workplace and the communication to employees of matters relating to employment equity; and

(b) the preparation, implementation and revision of the Company's employment equity plan.

It is understood that the four (4) members representing designated groups will attend the Atlantic Joint Consultative meeting for the portion of the agenda allotted to Employment Equity and that their attendance will be virtual.

APPENDIX G – MTT Vacation Liability

Letter of Agreement

Employees who were Regular Employees of record of MTT on May 1st, 1993 who terminate their employment for reasons other than for dismissal will be entitled to receive monies equivalent to five (5) working days payable at the time of the cessation of employment.

APPENDIX H – Standard Entry Level Qualifications

Letter of Agreement

The Company agrees to develop Standard Entry Level Qualifications for each Classification for job posting purposes. The Council will have the opportunity to provide input to this process. Standard Entry Level Qualifications can be amended over time for valid business reasons, but cannot be changed arbitrarily from one (1) posting to another for the same Classification. Changes in Standard Entry Level Qualifications for a Classification will be reviewed with the Council before implementation.

The Standard Entry Level Qualifications for each Classification will be posted on electronic bulletin boards, and also on physical bulletin boards in locations where reasonable access to the electronic bulletin boards is not available.

APPENDIX I – Pay Equity and Job Evaluation

Letter of Agreement

Pay Equity

The parties agree to establish a Joint Pay Equity Committee.

Council representation on the Committee will not be less than six (6) and, in any event, will not be less than the number of Company representatives on the Committee.

The purpose of this Committee is to comply with the terms of the Pay Equity Audit that has been initiated by HRDC, as they apply to bargaining unit employees.

The mandate of the Committee will include, but is not limited to:

1. Analyzing the employee population to identify the occupational groups, size of each group and distribution of employees by gender within each group.
2. Determining the sampling of jobs within Bell Aliant which will be included in the study.
3. Recommending a job evaluation tool and methodology for use in the evaluation of bargaining unit jobs.
4. Developing a Job Evaluation Plan and a timeline for completion of the study.
5. Conducting a job analysis and evaluating all jobs to be included in the study.
6. Determining if pay inequities exist, based on the results of the job evaluation.
7. Identifying Bell Aliant administrative practices that contribute to pay inequities.
8. Providing recommendations to the Company and the Council regarding changes to Bell Aliant administrative practices.
9. Providing recommendations to the Company and the Council regarding wage disparities and a methodology for correcting the identified disparities.
10. Establishing a communications plan for employees.
11. Recommending a control process to eliminate discriminatory pay practices.

Job Evaluation

The job evaluation system selected for Pay Equity purposes will be used for the continued purpose of maintaining relative equity among all jobs in the bargaining unit. Employees whose job is moved to a higher wage scale as a result of job evaluation will move to the step on the new wage scale that provides for at least a ten percent (10%) increase or to the top of the new wage scale if there is no step that provides at least a ten percent (10%) increase. Employees, whose job is moved to a lower wage scale as a result of job evaluation, will maintain their current Basic Wage Rate until the rate of the new wage scale exceeds their current wage rate.

APPENDIX J – Office Closure Policy

Letter of Agreement

The Company will determine if it is necessary to close an office or work centre due to bad weather or other circumstances. In this case, the decision will be communicated to affected employees through a variety of channels including, if necessary, a public service announcement on public radio stations. Subject to Article 10, employees may be requested to work from home or an alternate location as determined by the Company during a closure in order to meet customer service requirements. These employees will be paid at a rate of two (2) times the basic wage rate. Basic wages for other employees are not affected.

The Company will determine when the office or work centre can reopen. Various communications channels, including public service announcements on radio, will be used to inform employees that they are to return to work.

This Appendix does not apply to employees working from home full time or having a mobile profile.

Aliant Telecom Inc.

RE: JOB SHARING

Pursuant to Article 4.05 of the Collective Agreement, CATU and Aliant agree to the attached terms and conditions for employees who wish to participate in a Job Share Arrangement.

Agreed to on this date, April 11, 2005 by:

Council of Atlantic Telecommunications Unions

Director of Industrial Relations

Attach:

JOB SHARE ARRANGEMENT

Introduction

The workforce now requires more flexibility to keep up with the rapidly changing pace of the work environment and also to help meet lifestyle needs. Some of these lifestyle needs are family related, allowing parents to spend more time with their children or elderly parents. Other employees would like to pursue educational goals or leisure activities, while still others would like to “ease” into retirement more slowly.

Not only are the expectations of employees growing, but companies are facing bigger and bigger challenges - to be profitable, yet continue to meet the increasing expectations of both their employees and their customers. Companies who are responsive to both employee and customer needs will continue to attract and retain the best employees. Job Sharing is one way to meet a need and has been tried and tested in Nova Scotia since 1996.

To allow for the all provinces to adopt this arrangement, the Company and the CATU agree to cap the number of job sharing arrangements at twenty-five (25) (fifty (50) employees) Aliant wide. The Council and the Company will agree on the distribution of these arrangements so as to ensure that all four (4) provinces will be able to have employees participate in this arrangement. Disputes arising from a situation where there are more applicants than available job share arrangements will be settled on the basis of both the timing of the application and seniority, as decided between the Company and the Council.

With sixty (60) days written notice, either the Company or the Council may initiate a re-negotiation of this agreement, should changes be necessary.

Definition

Job Sharing is defined as two (2) regular ELIGIBLE employees sharing a full time position equally in a manner that provides full time coverage.

An ELIGIBLE employee is defined as an employee who, at the time of applying for a job sharing arrangement, is a regular Full Time Employee.

A job sharing arrangement requires that employees be in the same Classification, Work Group and Reporting Centre in order to share a job.

Commitment

Job sharing is an important consideration for both the employee and the Company. An employee considering a job sharing arrangement must fully understand the commitment as expressed in the terms and conditions of the job sharing guidelines. In an effort to meet this requirement, the employee must meet with an Executive of the Local to ensure their full understanding of this commitment. To avoid cyclical requests for job sharing arrangements, any employee submitting a proposal for job sharing must commit to a minimum of one (1) year to have their proposal considered. This commitment will contribute to the credibility of this program and best serve the concerns of all parties involved.

The decision to job share affects other parties as well. The immediate supervisor must consider the operational impact in the Work Group so that the employee, other departments and our customers - both internal and external -are not negatively impacted. The Company makes the final determination on whether a job sharing arrangement is suitable for a particular work environment. There is no obligation on the part of management to approve a job sharing arrangement if they do not see such an arrangement working in their area.

Scheduling Structure

Under a job sharing arrangement, both the duties and responsibilities of a single position are divided to provide total job coverage. In other words, one (1) full time position is being filled. To consider all factors related to benefits and the Collective Agreement, the following schedule must be followed.

Five (5) days are worked one (1) week and zero (0) days are worked in the consecutive week, such that thirty-seven and one-half (37.5)/forty (40) paid hours are worked in a two (2) week period.

Job sharers are not eligible for SDOs as they do not meet the requirements of Article 27.02 f).

****ILLUSTRATION OF SCHEDULE**

Initiating a Job Sharing Arrangement

An employee(s) fills out a job share application form and forwards it to the manager in the Work Group to express an interest in job sharing. Initiating a request does not guarantee a job sharing position. This job share application form can be obtained from Connexion.

(a) The manager in each Work Group determines whether or not a job sharing arrangement would be feasible based on the following criteria:

- (i) the job must be shared in a manner which would provide full time coverage
- (ii) customer service levels must be maintained
- (iii) quality service must continue to be provided to our customers
- (iv) productivity must be maintained
- (v) deadlines must continue to be met
- (vi) appropriate communication tools must be available for the job sharers and the manager (voice mail, if required, etc.)
- (vii) minimum training required

(b) A copy of the request and the decision to allow a job sharing arrangement will be forwarded to the Human Resources Centre.

(c) The manager will approach the senior manager in the department for approval.

(d) If the manager determines that a job sharing arrangement can be established in the Work Group, as well as how many positions can be job shared, the following will take place:

- (i) If there are two(2) employees applying to job share together, employees will have seven (7) calendar days in which to assess their compatibility and commitment and make a final decision.
- (ii) If there is one (1) employee applying for a job share, the manager must approach all employees in that

Work Group in writing to advise that there is a job sharing arrangement available, and the employees must respond within fourteen (14) calendar days.

- (iii) Notification of all job sharing arrangements must be sent to The Human Resources Coordinator in Industrial Relations and the Member Local of the Council.

Terminating a Job Sharing Arrangement

Both of the selected candidates in the job sharing arrangement have committed to a minimum of a one (1) year term. They must remain in this arrangement until such time as they either post out or are able to be replaced by another approved job sharer.

If one (1) of the job sharers wishes to cease the arrangement, then the Work Group is canvassed to seek another job sharing partner and the process outlined in "Initiating a Job Sharing Arrangement" is carried out again for the available position. If one cannot be found, the employee(s) must apply for posted jobs before the arrangement can cease unless a full time position becomes available in the group.

If one of the job sharers is successful on a job posting, the remaining job sharer becomes the regular Full Time Employee in that position.

If both job sharers wish to cease the arrangement, they both must apply for posted jobs. When one (1) of the job sharers is successful on a job posting, the remaining job sharer will revert back to a regular Full Time Employee.

If the Company wishes to cease the job sharing arrangement, both job sharers are returned to regular Full Time Employees in the Work Group. Notice will be provided to the employees by their manager that the arrangement will cease. At least four (4) weeks notice will be provided to the impacted employees.

In addition, notification of the termination of a job share arrangement will be sent to Human Resources and the Member Local of the Council.

Terms and Conditions

Employees within the same Classification, Work Group and Reporting Centre, as listed in the Collective Agreement are eligible to participate in a job sharing arrangement.

Service and Seniority

Service will accrue as per the Collective Agreement for Full Time Employees. Seniority will accrue as per the Collective Agreement for Part Time Employees-it will be based on the hours worked.

Vacation

Vacation will be in accordance with Article 26 of the Collective Agreement.

(a) Vacation days will be granted to employees in accordance with their net credited service as of December 31st of the vacation year for which the vacation is being scheduled.

(b) Vacation entitlement will be fifty percent (50%) of their regular entitlement. Example: If an employee has twenty-two (22) years, they are entitled to twenty-five (25) days plus a maximum of four (4) winter bonus days. In the job share arrangement, the same employee will be entitled to twelve and one-half (12.5) regular vacation days and a maximum of two (2) winter bonus days. To clarify, the employee will be paid full tours for these days. The employee will be credited if an adjustment is necessary at year end.

(c) Job sharers are to schedule vacation in accordance with Article 26.06 of the Collective Agreement.

(d) Job sharers may book vacation on weeks they are scheduled to work or weeks they are scheduled off, as long as it is still in accordance with Article 26.06 of the Collective Agreement.

Paid Holidays

Job sharing employees who are required to work on a paid holiday shall receive the greater of one-tenth (1/10th) basic earnings from the preceding pay period or one-twentieth (1/20th) basic earnings from the two (2) pay periods preceding the paid holiday. This payment will not exceed one (1) full day's pay.

Hours of Work

Job sharing employees must be scheduled full tours and during a pay period must be scheduled a minimum of fifty percent (50%) of the standard hours of work.

Some occasions may require a job sharer to work more than their scheduled standard hours of work (i.e., SDB, Child Care Leave); however, this would only be for the purpose of backfilling for their job sharing partner, with the exception of training where both job sharers may be required to attend the same training course. Such occasions will not be considered Overtime and compensated under the terms of Article 23, unless the employee is required to work more than their scheduled hours of work in a day or in excess of seventy-five (75) or eighty (80) hours in a scheduling period. If a job sharing employee is required to work more than fifty percent (50%) owing to a special requirement, this will be built into their work schedule and the appropriate notice will be

given to the employee. If seven (7) days notice of additional hours is not required, then a shift change premium will apply to the first tour of additional hours that receives less than seven (7) days notice.

Lost Time

SDB -Job sharers will be paid for SDB days based on a weekly average of the regular earnings during the twenty-six (26) preceding pay periods.

When a job sharer goes on SDB, Child Care Leave, etc., the manager will be able to backfill the work. This will occur by utilizing one (1) of the following options: with the job sharer's partner, by canvassing the Work Group to find a temporary backfill or fill the other half of the job with a Temporary Employee.

A job sharer will be given fourteen (14) days notice to be brought in full time to backfill for their partner. If fourteen (14) days notice is not given, a penalty will be paid per Article 27.04 of the Collective Agreement.

Job Posting

Job sharing employees are eligible to apply for postings in accordance with Article 13 of the Collective Agreement.

Bumping

If bumping is initiated for one (1) or both of the job sharers as per Article 12 of the Collective Agreement, the sharing agreement will terminate (on paper only) and those employees will revert to Full Time Employees to allow for proper bumping to occur. To clarify, those employees are now Full Time Employees and a bump of either of the job sharers means that the employee is bumping into a full time job.

Wage Treatment

Job sharing employees will be paid on an hourly basis calculated from the appropriate wage scales in the Collective Agreement.

Overtime will be paid in accordance with the Collective Agreement. If Overtime is required, the job sharer working on that day will work the Overtime and the alternate job sharer will not be called in. If it occurs on a day that both job sharers are off, the last sharer scheduled will work.

The new agreement will commence with respect to vacations, with the scheduling of 2006 Vacations on October 1st, 2005.

6. Eligibility:

(a) Participation in the plan will be voluntary on the part of the employee;

- (i) that employee will be eligible for a payout so long as they have worked at least one (1) full tour in an eligible role during the quarter; and
- (ii) the payout for any such employee will not be on a pro-rated basis, but will reflect the targets actually met during that quarter.

7. Employee Sales Criteria, Targets & Payout:

(a) The Company will, on a quarterly basis for each relevant Classification, set:

- (i) The sales criterion or criteria on which each employee will be assessed;

(c) The Company will set targets and associated payouts. The maximum payout in a quarter will be one thousand two hundred and sixty dollars (\$1260.00), and the Company will not set any different maximum payout without the consent of the Council.

8. Company Financial Criteria:

(a) The Company will, on a quarterly basis for each relevant Classification, set a Company Financial Criterion which must be met in order for any payout under the plan to be made for that quarter.

9. The Company will notify the Council of the Employee Sales Criteria, Targets, Payout, and Company Financial Criteria no later than one (1) month prior to the beginning of each quarter, and will notify employees no later than two (2) weeks prior to the beginning of each quarter.

10. Implementation

(a) There will be a three (3) month pilot phase, to take place no later than the second quarter of 2011, where the plan will be implemented only for eligible CSRs.

Now therefore the parties, on a without prejudice basis, agree as follows:

1. The Company and CEPACC agree that grievance # CATU- 2005-0045-1, dated July 8th, 2005, which was initiated on behalf of CEPACC’s members will be withdrawn.
2. The Company and CEPACC agree that grievance # ACTWU 03-07, dated November 3rd, 2003, which was initiated on behalf of ACTWU’s members, will be withdrawn.
3. (a) The Company and CEPACC agree that the implementation, or amendment, of employee incentive programs of a financial nature involving CEPACC members will be approved by CEPACC and that CEPACC will not unreasonably withhold such approval, except that: (i) contests; or (ii) programs designed to be short term and where any resulting benefits are of a non-financial, nominal or

immaterial nature; will not require approval from CEPACC.

(b) In the event that the Company and the Union are not able to reach agreement and the Company believes that the Union's approval has been unreasonably withheld, the parties agree that the issue will be remitted to an arbitrator, and decided by that arbitrator within thirty (30) days and prior to implementation or amendment of the employee incentive program.

4. The Company and CEPACC agree that the Company can withdraw any or all incentive programs with a minimum of one (1) month written notice to CEPACC.

5. CEPACC agrees that there can be different incentive programs for different groups of CEPACC members within the Company as determined by the Company. Not all members of CEPACC will be eligible to participate in incentive programs.

6. CEPACC agrees that the Consumer Service Representatives (CSR) Incentive Program implemented by the Company in April, 2005 will remain in place and that there will be no grievances from CEPACC or its Member Locals as a result of the structure, content or implementation of this program. The normal grievance/arbitration process in the Collective Agreement will apply in the case of any concerns with the application of the CSR Incentive Program.

7. CEPACC agrees that the Business Service Representatives (BSR) Incentive Program implemented by the Company on February 1st, 2006 will remain in place and that there will be no grievances from CEPACC or its Member Locals as a result of the structure, content or implementation of this program. The normal grievance/arbitration process in the Collective Agreement will apply in the case of any concerns with the application of the BSR Incentive Program.

8. It is the intention of the Company and of CEPACC to negotiate an incentive program for Consumer Service Technicians (CST) and Business Service Technicians (BST), before July 16th, 2006.

Agreed this 2nd day of June, 2006.

APPENDIX W – Classification Flexibility by Geographic Area

Letter of Agreement

1. Community Technicians: Technicians with Reporting Centres within Rural Areas (as defined by an Agreement between the parties) will be referred to as Community Technicians, and the following rules will apply to the assignment of work to Community Technicians:

(a) Each Community Technician will have a primary Classification of either Consumer Service Technician (CST), Business Service Technician (BST), Cable Technician (CT), or Network Technician (NT). Incumbents at the time this Agreement is implemented will retain their current Classification as the primary Classification.

(b) Each Community Technician will receive equipment and training, including safety training, to ensure they are able to safely perform a reasonable number of functions within their non-primary Classifications.

(c) Where Classification is relevant for any Collective Agreement purpose (e.g. vacation, wages, SELQs) the primary Classification will be used for any Community Technician; however, Scale 13 rather than Scale 13a will be used where the Community Technician's primary Classification is CST. For greater certainty, if a Pool CST or a CST on wage scale 13a performs the role and functions of a Community Technician, they will be compensated for the hours worked in those roles based on wage scale 13.

(d) To the greatest practical extent, Community Technicians will be assigned work in their primary Classification.

(e) Within the service area covered by their Reporting Centre, a Community Technician may be assigned any work within the CST, BST, CT or NT Classification, provided that they are trained for the work and able to do the work safely.

(f) Where, over the course of one (1) year or longer, a Community Technician works two thousand and eighty (2080) hours in any of their three (3) non-primary Classifications, they will meet the SELQs for that Classification.

(g) Where, over the course of one (1) year or longer, a Community Technician works one hundred and twenty (120) hours in any

of their three (3) non- primary Classifications, they will meet the definition of “actual experience” in that Classification for the purposes of Article 12.11.

(h) If a Community Technician is temporarily reassigned outside of their Reporting Centre, the assignment of work will be as follows:

- (i) If the assignment is to backfill for a particular employee, the Community Technician will perform all of the work of that employee (i.e. as a Community Technician or Combination Technician as appropriate) so long as the Community Technician has sufficient ability to safely perform the work;
- (ii) In any other case, the Community Technician will perform only the work of a single Classification.

(i) If another employee is temporarily reassigned to backfill for a Community Technician, that employee will also perform the work of a Community Technician provided that the employee can do so safely.

(j) Where a Community Technician position becomes vacant and is posted, the posting will make clear that the position is a Community Technician position. The presumption will be that the posting will be for the primary Classification of the previous incumbent, unless there has been a significant change in the nature of the work performed by that position, in which case the Council will be notified of the change.

(k) Designation of Community Technicians:

The designation of Community Technicians, including both the identification of Community Technicians and the determination of the primary Classification, will only occur where there is agreement between the Company and the Council. After the implementation of this Agreement, the designation will be done by a permanent Joint Committee, consisting of four (4) Council Representatives (one (1) from each of the four (4) provinces) and up to four (4) Company representatives.

- (i) The designation will include confirmation of the primary Classification for the Community Technician.
- (ii) A Community Technician will be designated by the Joint Committee where it is necessary in order to

provide cost-effective customer service. This will be determined based on the following criteria:

- (1) Technician workload within the service area;
 - (2) The pattern of using Classification flexibility within the service area;
 - (3) Input from the incumbents in the area in question.
- (iii) The Company will not unreasonably request a designation of a Community Technician where it cannot demonstrate that the designation is necessary in order to provide cost-effective customer service. Where accurate, objective data shows that the designation is necessary in order to provide cost-effective customer service, the Joint Committee will not unreasonably refuse designation.
- (iv) Where an incumbent Community Technician is replaced through a job posting, the posting will automatically be for a Community Technician without the need for a new designation by the Joint Committee. The presumption will be that the posting will be for the same primary Classification as the previous incumbent, unless there has been a significant change in the nature of the work performed by that position, in which case, the committee will meet to discuss the changes and to consider a change in the primary Classification for the employee who is successful in the posting.
- (v) If the Company determines that an incumbent Community Technician will not be replaced through a job posting, the Joint Committee will still need to approve the designation of any other employee in that Reporting Centre as a Community Technician.

2. Combination Technicians: Where the technician is neither in a Rural Area nor one of the Ten Cities (both of which are defined in an Agreement between the parties), the technician may, in accordance with this Agreement, be designated a Combination Technician.

(a) Each Combination Technician will have a primary Classification of either CST, BST, CT or NT. Incumbents at the time this

Agreement is implemented will retain their current Classification as the primary Classification.

(b) Each Combination Technician will also have a designated secondary Classification of either CST, BST, CT or NT.

(c) Each Combination Technician will receive equipment and training, including safety training, to ensure they are able to safely perform a reasonable number of functions within their secondary Classification.

(d) Where Classification is relevant for any Collective Agreement purpose (e.g. vacation, wages, SELQs) the primary Classification will be used for any Combination Technician; however, Scale 13 rather than Scale 13a will be used where the Combination Technician's primary Classification is CST. For greater certainty, if a Pool CST or a CST on wage scale 13a performs the role and functions of a Combination Technician, they will be compensated for the hours worked in those roles based on wage scale 13.

(e) To the greatest practical extent, Combination Technicians will be assigned work in their primary Classification.

(f) Within the service area covered by their Reporting Centre, a Combination Technician may be assigned any work within their secondary Classification, provided that they are trained for the work and able to do the work safely.

(g) Where, over the course of one year or longer, a Combination Technician works two thousand and eighty (2080) hours in their secondary Classification, they will meet the SELQs for that Classification.

(h) Where, over the course of one (1) year or longer, a Combination Technician works one hundred and twenty (120) hours in their secondary Classification, they will meet the definition of "actual experience" in that Classification for the purposes of Article 12.11.

(i) If a Combination Technician is temporarily reassigned outside of their Reporting Centre, the assignment of work will be as follows:

- (i) If the assignment is to backfill for a particular employee, the Combination Technician will perform all

of the work of that employee (i.e. as a Community Technician or Combination Technician as appropriate) so long as the Combination Technician has sufficient ability to safely perform the work;

- (ii) In any other case, the Combination Technician will perform only the work of a single Classification.

(j) If another employee is temporarily reassigned to backfill for a Combination Technician, that employee will also perform the work of a Combination Technician provided that the employee can do so safely.

(k) Designation of Combination Technicians:

The designation of Combination Technicians, including both the identification of Combination Technicians and the determination of primary and secondary Classification, will only occur where there is agreement between the Company and the Council. With respect to incumbents at the time this Agreement is implemented, that designation will be done by a sub-committee of the AJC. After the implementation of this Agreement, the designation will be done by a permanent Joint Committee, consisting of four (4) Council Representatives (one (1) from each of the four (4) provinces) and up to four Company representatives.

- (i) The designation will include confirmation of both the primary and secondary Classifications for the Combination Technician.
- (ii) A Combination Technician will be designated by the Joint Committee where it is necessary in order to provide cost-effective customer service. This will be determined based on the following criteria:
 - (1) Technician workload within the service area;
 - (2) The pattern of using Classification flexibility within the service area;
 - (3) Input from the incumbents in the area in question.
- (iii) The Company will not unreasonably request a designation of a Combination Technician where it cannot demonstrate that the designation is necessary in order to provide cost-effective customer service. Where accurate, objective data shows that the

designation is necessary in order to provide cost-effective customer service, the Joint Committee will not unreasonably refuse designation.

- (iv) Where an incumbent Combination Technician is replaced through a job posting, the posting will automatically be for a Combination Technician without the need for a new designation by the Joint Committee. The presumption will be that the posting will be for the same primary and secondary Classifications as the previous incumbent, unless there has been a significant change in the nature of the work performed by that position.
- (v) If the Company determines that an incumbent Combination Technician will not be replaced by a job posting, the Joint Committee will still need to approve the designation of any other employee in that Reporting Centre as a Combination Technician.

3. The parties acknowledge that the Company will be required to track the number of hours worked by a Community or Combination Technician in their non- primary Classification(s). Before the implementation of this Agreement, the Company will report to the Council on the mechanism it develops to track such hours, and will seek the Council's input. After the first six (6) months of implementation of this Agreement, the parties will revisit this tracking mechanism, consider whether it has proven effective, and revise if necessary.

Ten Cities:

4. (a) There will be no Community or Combination Technicians within the Ten Cities (defined by an Agreement between the parties).

(b) Where a Community or Combination Technician is temporarily re-assigned to a Reporting Centre within one (1) of the Ten Cities, they will only be assigned the work of only one (1) Classification for the period of the temporary re-assignment, and they will be compensated according to Article 17.07.

APPENDIX X – Transporting Generators

Letter of Agreement

1. The parties agree that the transportation of generators is bargaining unit work.
2. Managers will only transport generators in the circumstances reflected in Article 4.08 of the Collective Agreement.
3. For greater certainty, with respect to transporting generators, the “emergency” provision in Article 4.08 a) refers to cases where the work is necessary for service restoration in an emergency, and no trained unionized employee is available to do the work because of distance or because of work demands due to the emergency.
4. Notwithstanding anything else in this agreement, the transportation of generators will only be done by personnel who have the appropriate training to do the work safely.

APPENDIX Y – Project Term Workforces

Letter of Agreement

1. The parties agree that, where desirable in order to complete project work which will last for a relatively short, definable period (the “Project Term”), the Company may create Project Term workforces.
2. A Project Term workforce will be used only on projects of a definable Project Term, which respond to immediate needs driven by engineering or marketing.
3. Before any Project Term workforce is formed, the Company will meet with the Council to agree on
 - (a) the scope of work for the project;
 - (b) the Project Term;
 - (c) the maximum size of the Project Term workforce;
 - (d) plans for backfilling for existing employees who join the Project Term workforce, if necessary;
 - (e) the proportion of external hires to internal employees for the project;
 - (f) how the proportion of internal to external employees will be handled during wind-down of the project.

Any such agreement may be subsequently modified with the agreement of both parties. Such requests will not be unreasonably made or denied. Where the parties are unable to agree, the issue will be brought to the AJC process for resolution.

4. A Project Term workforce will comprise both external hires and existing employees who post into roles with the project, subject to the proportions agreed upon. Where meeting this proportion proves impossible because there are not enough internal or external applicants, the proportion requirement is waived. However, where there are additions to the Project Term workforce during the Project Term, including replacement where vacancies are created, such additions will

be in accordance with the proportion originally agreed.

5. The Project Term workforce will be expected to work for the duration of the Project Term, notwithstanding any limits in the Collective Agreement on the duration of temporary reassignments or temporary hires.

6. The selection of existing employees into a Project Term workforce will be done by posting, open to all Regular Employees who:

(a) meet the criteria listed in Article 13.04 of the Collective Agreement;

(b) agree to any particular travel requirements which are stated in the posting;

(c) agree to any vacation scheduling requirements which are stated in the posting;

(d) agree to stay in the project role for the entire Project Term, unless they are the successful applicant on another regular job posting.

7. Existing Temporary Employees may apply for postings to a Project Term workforce, and if successful, may work the duration of the Project Term. At the end of the Project Term, any such Temporary Employee will not be re-hired by the Company as a Temporary Employee within six (6) months of the end of the Project.

8. With respect to external hires assigned to a Project Term workforce:

(a) External hires will be subject to all aspects of the Collective Agreement applicable to Temporary Employees unless this Agreement gives them other specific rights;

(b) After six (6) months in the role, and continuing through the Project Term, external hires will receive the progressional increases in accordance with the terms of the Collective Agreement;

(c) External hires will not be eligible to participate in the Company's pension plan, the employee concession plan, the employee unit purchase plan, or any other company benefit plan with the exception of the Flexconnect plan;

(d) External hires will have no guarantee of any further employment after the Project Term;

(e) External hires will not have the right to post to any other position during the Project Term;

(f) External hires will be paid according to the pay scale appropriate to their Classification as of their time of hire.

9. If the Company decides to backfill for existing employees who post to a Project Term workforce, they will be backfilled by either a temporary hire or a temporary reassignment. Any such temporary hire or temporary reassignment may last the entire Project Term, notwithstanding any limits in the Collective Agreement.

10. Each employee in the Project Team workforce will be assigned a Reporting Centre for the purposes of determining expenses. Existing employees who post into a Project Term workforce will not be entitled to relocation costs.

11. If vacancies arise in the Project Term workforce during the Project Term which must be filled, the replacement employee will serve only for the remainder of the Project Term. The vacancy will not be filled if it is the result of a termination by the Company for any reason other than just cause.

12. The Project Term workforce will receive applicable progressional increases and wage increases during the Project Term pursuant to the Collective Agreement.

13. For existing employees who post to the Project Term workforce into a different Classification, time worked in that Classification amounts to "experience" in the Classification for the purposes of Article 12.11.

14. At the end of the Project Term, the existing employees who posted to the Project Term workforce will:

(a) return to their previous positions, unless they have posted out to a new regular position; and

(b) when returning to the previous wage scale, return to a step that is no lower than the step the employee would have achieved had they not posted to the Project Term workforce.

15. At the end of the Project Term, external hires from the Project Term workforce will be considered external hires for the purposes of any future postings at Bell Aliant. If the employee is hired, Article 11.10 will apply with respect to bridging of seniority and service.

16. Despite the foregoing, the Company and the Council may mutually agree that external hires into the Project Term workforce may be eligible for certain postings.

Where, as a result of such a posting, an external hire is hired as a Pool CST I from a Project Term Workforce, that external hire will carry over any benefits received in the Project Term Workforce, even if they would be otherwise ineligible for such benefits as a Pool CST I; such benefits will operate on the same basis as for other Pool CST Is. However, hours served in the Project Term Workforce will not count toward the threshold of two thousand (2000) hours worked in the CST Pool.

Where, as the result of such a posting, an external hire is hired as a Pool CST I, and subsequently posts to a non-Pool role, that employee's Net Credited Service, including service in the Project Term Workforce and in the Pool, will be bridged after the employee has been on the payroll for at least one (1) year and the combined total of service equals five (5) years or more.

APPENDIX Z – Use of Retirees as Contractors

Letter of Agreement

1. The Company will not allow any contractor to assign bargaining unit work to anyone who has retired from the Company within the first thirty-six (36) months of their retirement.
2. This Letter of Agreement does not require the Company to remove a retiree who is already working as of the date of ratification of this Collective Agreement.
3. Any employee who retired or will retire under the terms and conditions of the “Limited Retirement Offer (LRO)” as agreed to in Schedule II of the Memorandum of Agreement signed on October 2, 2014 will be subject to the terms and conditions of said LRO.
4. The Company will remove any retiree in violation of this agreement from performing bargaining unit work immediately. Retirees removed in accordance with this agreement will not be reassigned to bargaining unit work for thirty-six (36) months from their date of removal.

APPENDIX AA – Satisfactory Performance

Letter of Agreement

The parties agree that, if the Company changes its performance rating method, the parties will agree upon the appropriate definition of “a satisfactory performance record” for the purposes of Article 13.04, and will replace the phrase “(meaning that the employee’s most recent performance rating was “Achieves” or “Exceeds”)” with new language reflecting the new performance rating method. The general principle will be that “a satisfactory performance record” means the employee has met or exceeded expectations in all areas being assessed.

APPENDIX BB – 12-Hour Shift Agreement

Agreement

Between

**Communications, Energy and Paperworkers Atlantic
Communications Council (CEPACC)**
(formerly Council of Atlantic Telecommunications Unions (CATU))

And

Bell Aliant Communications LP
(formerly Aliant Telecom Inc.)

**Shift Scheduling for Tours >10 Hours to a maximum of 12 per
Article 27.02 e)**
For

(Group Name Identified)

Start date: _____ Year _____

It is understood that the purpose of this agreement is to outline arrangements with respect to the standard hours of work as provided for in Article 4.05 and Article 27.02 e) of the Collective Agreement.

These arrangements will be discontinued at any time at the request of the Company, the Council or any of the employees directly affected by the change with (8) weeks written notice (27.02 e)). Withdrawal from this arrangement by any employee(s) does not necessarily cancel this agreement for the remaining employees. All employees of any workgroup are not necessarily required to participate in this arrangement. If the Company deems there are enough interested employees in the scheduling arrangement to continue, the arrangement will remain for those employees. If not, the arrangement will be cancelled with eight (8) weeks written notice provided.

It is also understood that management may temporarily suspend this

special scheduling arrangement for all, or any portion of the workforce, due to special operating requirements, special assignments, vacation, training, etc. In such cases, affected employees will be given as much notice as possible before they are required to revert to normal shift scheduling.

Any complaints arising from the interpretation or alleged violation of the terms of this agreement shall be subject to the normal grievance or arbitration procedure. Any problems not covered by this agreement shall be handled by discussions between representatives of the Company and the Council.

Any addendum to this agreement shall be approved by the Company and the Council. The content of this agreement shall be reviewed, updated as required and signed/re-authorized coincident with the renewal of the associated Collective Agreement.

Holiday Pay

25.06 (a) A Full Time Employee not required to work on a paid holiday will receive holiday pay equal to the basic wages for the Standard Working Day.

- (b) (i) The following conditions will apply to employees who are scheduled to work on paid holidays: It is agreed for all paid holidays except Christmas Day and New Year's Day, employees will be paid one and one-half (1.5) times their Basic Wage Rate, in addition to their holiday pay for all hours worked within their scheduled shift that falls within the holiday, instead of their Standard Working Day as outlined in the Collective Agreement. Any hours worked outside of the holiday during the shift will be paid at Basic Wage Rates.
- (ii) Employees who work on Christmas Day or New Year's Day will, in addition to their holiday pay, be paid two (2) times their Basic Wage Rate for all time worked within their scheduled shift that falls within the holiday, instead of their Standard Working Day as outlined in the Collective Agreement. Any hours worked outside of the holiday during the shift will be paid at Basic Wage Rates.

Hours of Work

By mutual agreement between the parties, the scheduled tours can be greater than ten (10) hours to a maximum of twelve (12) in a scheduled

workday.

1. It is agreed that employees covered by this Agreement will only be scheduled for two (2) consecutive night tours; this can be extended to a maximum of five (5) nights with the permission of the employee (night tours would be those encompassing some or all the hours between 12 midnight (24:00) and 7:00 a.m. (07:00)).

2. It is agreed that employees will not “routinely” work more than their scheduled tour to facilitate time off their regular schedule at a later date.

The Standard Hours of Work may exceed the standard hours set in Article 27.01 of the Collective Agreement based on an averaging process. However,

(a) No averaging period will exceed eight (8) weeks; and

(b) The averaging period for any modified work schedule will begin on the same day for all employees who are under the modified work schedule.

All other provisions of the Collective Agreement apply except as amended by this agreement.

SDO

Employees covered under this Agreement are enrolled in SDO's.

Overtime

All Overtime which is continuous to a twelve (12) hour shift will be paid at double time as per the Collective Agreement.

Meal Period

27.05 The standard unpaid meal period will be one (1) hour and will be taken at or near the midpoint of the tour. This meal period may be adjusted to thirty (30) minutes by mutual agreement between the employees and management.

Rest Periods

27.06 Employees will be entitled to two (2) fifteen (15) minute paid rest periods, one (1) rest period will be given in the first half of the tour and the second rest period will be given in the second half of the tour.

Annual Vacations

For the purposes of scheduling vacations, each working day scheduled as vacation is equivalent to the number of hours in the Standard Working Day (seven and one-half (7.5) or eight (8) hours) per the Collective Agreement. The scheduling period begins on October 1st of the year previous and ends on November 30th.

Employees can make changes to their approved vacation schedule throughout the vacation year. When an employee requests a vacation change within the current two (2) week Scheduling Period, and the day requested is one where they are scheduled to work twelve (12) hours, if the vacation day can be granted, then twelve (12) hours of vacation can be deducted from their vacation allotment. Vacation allotment remaining in the year should reflect this change.

The vacation scheduling group outlined in 26.06 e) discusses situations which make a single vacation scheduling group reporting to the same supervisor impractical. It is understood that the 12 hour shift arrangement would be considered one of these situations.

Sickness Absence

Any sickness benefits granted at the discretion of the Company shall recognize the hours of paid absence as equal to the regularly scheduled tour; e.g. an employee scheduled for a twelve (12) hour tour who is absent one (1) day due to sickness and who is granted sickness benefits for such absence shall be recorded as receiving thirty percent (30%) of a week's sickness pay (one and one-half (1.5) regular days) for a forty (40) hour per week employee or thirty-two percent (32%) of a week's sickness pay (one and three-fifths (1.6) regular days) for a thirty seven and one-half (37.5) hour a week employee.

Minimum Rest Period

27.07 (a) In the work schedule, employees will have a minimum of twenty-four (24) hours of rest between the end of one (1) scheduled tour and the scheduled tour when they are changing from days to nights or nights to days.

Witness and Jury Duty / Bereavement Leave

When an employee is granted leave for witness or jury duty or for bereavement, they will be credited for the regular number of hours they were scheduled to work on that day. Per Article 18.08 a) of the Collective Agreement, the leave will not exceed forty (40) hours of scheduled work time.

APPENDIX CC – Restriction on Contracting Out

Letter of Agreement

The parties intend that the creation of a CST Resource Pool, the introduction of Community Technicians and Combination Technicians, and the agreement respecting Project Term workforces, will result in a significant, measurable reduction in the number of contractors used within Regional Services. Accordingly, the parties agree as follows:

1. The Company agrees that, once the parties have determined that the CST Resource Pool is fully operational, the Company will reduce the total number of contractors performing CST work by twenty percent (20%) per year for three (3) years.

2. This commitment will be measured as follows (presuming that the CST Resource Pool is fully operational):

(a) The baseline number of contractor FTEs doing CST work will be determined as of September 30th, 2010.

(b) There will be a twenty percent (20%) reduction of that September 30th, 2010 baseline by December 31st, 2011

(c) There will be a twenty percent (20%) reduction of that December 31st, 2011 number by December 31st, 2012.

(d) There will be a twenty percent (20%) reduction of that December 31st, 2012 number by December 31st, 2013.

If in any given measurement period these measures are exceeded, the Company and the Council will agree to any necessary adjustments to the targets. However, any such adjustments will still result in a total reduction of fifty percent (50%) between September 30th, 2010 and December 31st, 2013.

3. The Company recognizes that the reduction should also be reflected in a measure of the annual average number of contractor FTEs doing CST work during the year. Where there is a substantial discrepancy between the annual measures set out above and the annual average measure, the Company and the Council will meet to develop a more adequate means of assessing whether the commitment has been

met.

4. In addition, the Company will not increase the ratio of contractor FTEs to employees doing CST, BST, NT or CT repair work outside of the Ten Cities. This commitment will be measured in the same manner set out above, using the ratio as of September 30th, 2010 as a baseline.

5. These commitments will be temporarily waived where the Company requires additional resources in order to prevent or repair a critical loss of service due to an extreme weather event, fire, natural disaster, or other similar circumstance beyond the Company's control.

6. The Company will report to AJC every quarter as to its progress in meeting the commitments in this Letter of Agreement. However, the Council can raise any issues as to the implementation of this Letter of Agreement with the AJC at any time.

7. In order to determine that the CST Resource Pool is fully operational, the parties will:

(a) agree on an initial size for the Pool;

(b) confirm that initial hires into the Pool have reached that number;

(c) jointly assess whether the Pool is successfully operating according to expectations.

8. The assessment as to whether the Pool is fully operational will take place no later than September 30th, 2011. If by that date the parties do not agree that the Pool is fully operational, they will, within thirty (30) days, identify and resolve any issues preventing the Pool from becoming fully operational, and will ensure that the Pool is fully operational by March 31st, 2012. If this extension to March 31st, 2012 becomes necessary, the parties will also agree to new timelines for meeting the commitment to reduce the number of contractors.

9. Notwithstanding anything else in this Letter of Agreement, if the Pool is not fully operational by March 31st, 2012, the parties will negotiate in good faith and agree by September 30th, 2012, on alternative arrangements which will, in accordance with the intent of this Letter of Agreement, enable the specified contractor reductions to be met.

APPENDIX EE – CST Competitive Wage Scale

Letter of Agreement

1. The following wage scale will be added to the scales in Appendix C, and applicable to Consumer Service Technicians hired on or after October 1, 2010:

Step/ Scale	1	2	3	4	5	6	7	8	9	10

APPENDIX FF – Special Rescheduled Vacation Days

Letter of Agreement

The Company and the Council intend to provide employees in the Customer Care business unit with a means of using vacation time to meet family and personal commitments which are not unpredictable or emergent, but which are nonetheless difficult to anticipate during the normal vacation scheduling process.

The parties therefore agree as follows:

1. Where an employee has scheduled vacation according to the normal vacation scheduling process, the employee may choose to reschedule one (1) day of vacation to another day (the “special rescheduled vacation day”.)
2. The employee may use a maximum of two (2) special rescheduled vacation days per vacation year (which may include creating two (2) special rescheduled vacation days in a row.)
3. To take advantage of the rescheduling option, the employee must provide notice to workforce management no less than fourteen (14) calendar days in advance of the special rescheduled vacation day.
4. Special rescheduled vacation days may not be scheduled for a Paid Holiday as defined in the Collective Agreement, or for the two (2) business days immediately preceding or following a Paid Holiday, or for the “Fall Rush” period of August 29th to September 9th, or for any other day which would not otherwise be eligible to be scheduled as a vacation day. Other than this restriction, no other special rescheduled vacation day will be rejected by workforce management.
5. Once confirmed by workforce management, a special rescheduled vacation day will be considered final and cannot be further changed or rescheduled.
6. Nothing in the Agreement restricts the parties from making use of any other process under the Collective Agreement for the granting or rescheduling of leaves and vacation.
7. For greater certainty, Article 26.09 applies to special rescheduled

vacation days.

8. Vacation days which are freed up through this rescheduling process will be subject to the vacation reoffer process in Article 26.06 h).

UNIFOR ACL

AVERAGING OF MAXIMUM HOURS OF WORK

The parties agree that the averaging of maximum hours of work will be based on a twenty-six (26) week period. The maximum hours of work of an employee shall not exceed 1,248 hours over a twenty-six (26) week period.

APPENDIX HH – Recognition Programs

MEMORANDUM OF AGREEMENT

UNIFOR

This is to confirm our agreement with respect to recognition programs for Unifor Atlantic Communication Locals (Unifor ACL).

The parties agree that employees who go above and beyond to help the Company do better contribute directly to achieving the corporate goal of being Canada's leading communications company.

Recognition programs help build a culture of celebration to acknowledge innovative, forward-thinking team members who excel in their positions while seizing new opportunities.

Bell Canada has developed incentive and recognition programs to motivate employees using a single framework – with three levels – to ensure everyone has an opportunity for the recognition they deserve:

- Level one: local ongoing recognition
- Level two: quarterly business unit recognition
- Level three: annual company wide recognition

The parties agree that incentive and recognition programs are a complement to basic salary and to incentive bonuses and, as such, do not form part of employees' working conditions and are not covered by Article 4 of the Collective Agreement.

The parties further agree that employees who qualify for a monetary award under any of the Company's recognition programs will be entitled to receive that monetary award in line with the applicable taxation rules.

This Agreement shall remain in full force and effect during the term of this Collective Agreement.

MEMORANDUM OF AGREEMENT

BETWEEN:

In achieving this objective, any performance management system will require clear job expectations and objectives, and ongoing feedback.

The objective of the ongoing feedback and evaluation process will be to ensure that employees understand job expectations and receive ongoing feedback on their performance. The process will include reasonable measurements of employees' performance and will be linked to business objectives and ultimately to customer service.

Notice of changes in performance indicators impacting employees' performance assessment will be provided to the union a minimum of 30 days in advance, and to employees a minimum of 15 days. During that period, the parties will have a meaningful discussion on changes to performance indicators.

Appropriate and timely coaching and training will also be provided to employees to assist them on the path of being successful and to identify areas of improvement. There will be clear and reasonable opportunities to improve where an employee is not able to meet job expectations.

The objective of the performance management process is to ensure that employees have the right skills and competencies to succeed in their current jobs.

May perform installation, maintenance, repair and coin collection of payphone services.”;

WHEREAS the definition of services provided to small business customers may evolve as new technologies and/or services are introduced.

WHEREAS it is the Company’s position that the Services listed above may be installed, maintained or repaired by a Consumer Service Technician (CST) or a Business Service Technician (BST) if they have received the required training;

WHEREAS it is the Union’s concern that the evolution of the Services provided to small business customers may decrease the workload of BST’s and creates confusion between the CST and BST classifications;

WHEREAS when a technician is trained on the installation, maintenance and repair of a particular service, it becomes updated in a technician’s profile in the CLICK dispatch system by the inclusion of the associated skill indicator.

WHEREAS once the skill indicator is added to the technician’s profile, work relating to the associated service may be dispatched to them. This method of dispatching work is consistent with that used with previous legacy systems.

NOW THEREFORE THE PARTIES AGREE AS FOLLOWS:

Should a dispute arise the Union may file a grievance on the matter. Should the grievance not be resolved the parties agree to the use of Expedited Arbitration as described in Memorandum of Agreement “Grievance Mediation and Expedited Arbitration trial” to resolve the dispute.

4. Within 30 days of ratification of the collective agreement, the Company agrees to undertake the following actions to increase the probability that the Services are distributed to BSTs, where such services exist and so long as customer and service requests are respected:
- i. Within 30 days of ratification of the collective agreement, review the CLICK profiles of each BST to determine whether the skill indicator required to undertake the Services are included in each BST's CLICK profiles;
 - ii. In cases where the BST does not have a particular skill indicator in their CLICK profile the Company will determine if the BST has the training required to that skill indicator;
 - iii. If they do have the training the skill indicator will be added to their profile;
 - iv. If they do not have the training, it will be provided as soon as possible as per section 32.01. Once the training is completed, the skill indicator will be added to the profile;
 - v. Communicate and schedule the required training to the identified BST's;
 - vi. Adjust the Market preferences in CLICK to prioritize distribution of the Services to those trained BST's thus increasing the probability of BST's being assigned the work.

THEREFORE THE PARTIES AGREE AS FOLLOWS:

The parties will trial grievance mediation and expedited arbitration procedures for a period of 18 months following the signature of the current Collective Agreement.

In the context of the pandemic, Bell Canada introduced the Bell Workways Policy which is designed to provide employees with the opportunity to more effectively manage work, family and other life commitments by providing alternative approaches to where and when work gets done, while ensuring we continue to meet Bell's business objectives and deliver strong results.

However, the employees will be allowed to file grievances if the company acted arbitrarily, in a discriminatory manner or in bad faith in applying the Bell Workways policy.

(the “Council”)**

The parties agree as follows:

1. The job evaluation tool and process to be adopted for assessing roles going forward will be the Hay Job Evaluation and will follow the Bell job evaluation process.
2. The Company, or the Council at the request of an employee or group of employees, may initiate a request for a job evaluation when there are noticeable changes to classification responsibilities or to establish a new classification in accordance with Article 4.04
3. Regardless of which party initiates the request for a job evaluation, any impacted unionized employee will be represented by a designate of Council.
4. The Company will evaluate and render a decision on any eligible request for evaluation within a 90-day period following the receipt of the request. The 90-day period may be extended by mutual consent of the Company and the Council in writing.
5. The date of notification will be deemed to be the date when the Company or the Council initiates the request for a job evaluation. Any resulting pay adjustment, if applicable, will be effective from this date of notification.

6. The Company will be responsible for administering and determining the results of job evaluations using the Hay Job Evaluation tool and the Bell job evaluation process. The company will provide the Council with the outcome/findings of each job evaluation request prior to sharing with impacted employees, which will include the rationale explaining the findings. In addition, Bell will maintain a certified Hay resource to administer the job evaluation process.

Subject: Review of Bell Workways Mobile and Work From Office Profiles

Mr. LeBlanc,

This confirms our understanding during the last round of bargaining for the renewal of the ACL Collective agreement regarding a review of the profile for employees identified as Mobile or Work from office.

In the four (4) months following the signature of the Collective agreement, Labour Relations will undertake a review of the classifications identified as Mobile and Work from Office Profiles in the Bell Workways Policy.

Labour Relations will present its decisions along with the rationale of the decisions to the Council.

Should there be decisions to modify an existing Mobile or Work from Office profile to either a Remote or Mobile profile, the employees will benefit from the same guarantee provided in the Memorandum of Agreement "Bell Workways Program".

Any reference to the Bell Workways Policy in this Letter of Intent does not have the effect of incorporating the Policy in the Collective Agreement.

Regards,

Serge Thibault
Chief Negotiator
